to me ▾

Dear [REDACTED]

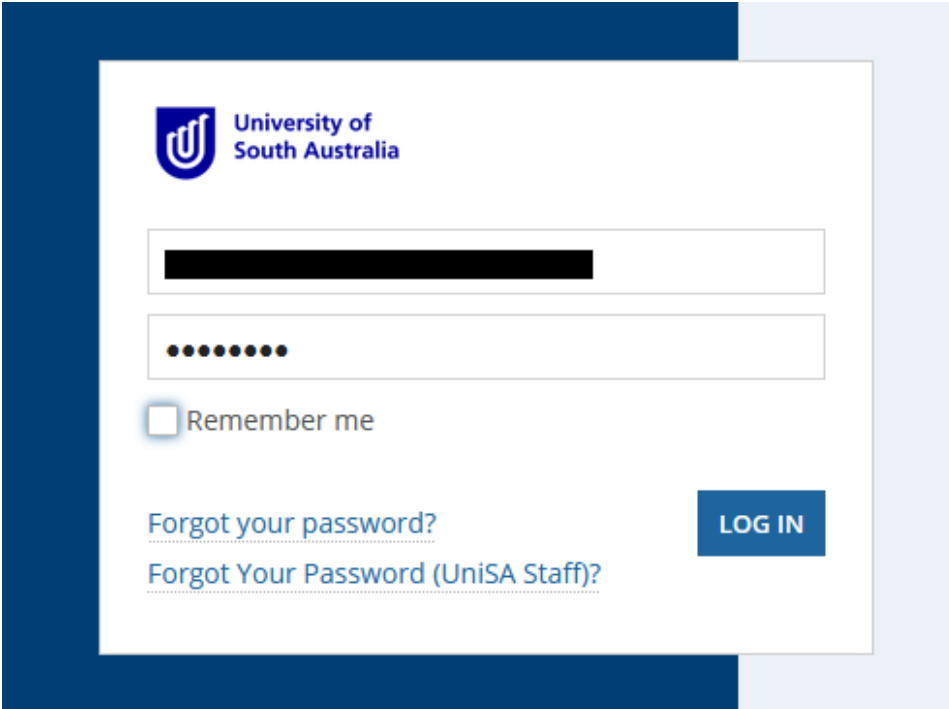

Your account for UniSA (DEV) Services has been reactivated. The password for the account has not been changed. If you wish to reset this password, please follow the link below.

[Log into Appian](#) or [Reset my Password](#)

Thank you,
UniSA (DEV) IT Help Desk

This is a system generated email, do not reply to this email.

6. Enter your username and password, click the “Log In” button.
If you have forgotten your password, please consult the “Password Reset” section in this document.

The screenshot shows the UniSA login interface. At the top left is the University of South Australia logo. Below it are two input fields: the first for the username (containing a redacted name) and the second for the password (displayed as dots). Below the password field is a checkbox labeled "Remember me". To the right of the input fields is a blue "LOG IN" button. At the bottom left, there are two links: "Forgot your password?" and "Forgot Your Password (UniSA Staff?)".

7. Arrive at the External Users landing page where you can now select an action or service.
