To be the best in your field, you need a university that offers a choice of over 200 world-class degrees, and is globally recognised for its teaching, research and facilities.
I am delighted that you are thinking of studying at the University of South Australia. We are, after all, considered one of the world’s best young universities by ratings agencies such as Times Higher Education and Quacarelli Symonds.

We are also one of the world’s most international universities, as recognised by Quacarelli Symonds (QS). We have Australia’s most internationally-diverse academic staff population and have always given a warm welcome to international students, graduating people from more than 140 countries throughout our history.

If you decide to study with us you’ll find that the University of South Australia is innovative and creative, and focused on educating the next wave of global professionals. Our degrees are designed with strong professional emphasis and in partnership with industry. Our research is focused on finding answers to the world’s most pressing problems.

We are also a globally engaged institution with a network of international partners which include XAUAT, Shandong, Tianjin and Beijing Normal Universities in China, Keio University in Japan, Trinity College in Ireland, University College London, and numerous collaborations with universities elsewhere in Europe and North America.

If you decide that the University of South Australia is the right place for you, we will help you prepare for the career path of your choice.

I hope that you do consider coming to Adelaide to study with us and I look forward to seeing you on campus soon.

Professor David G. Lloyd

The University of South Australia was formed in 1991 through a collection of colleges, institutes and schools coming together to become a single university.

Today, we have graduated more than 160,000 students and are ranked in the top 10 universities in Australia. *

Our teaching is industry-informed and highly practical. You will learn from top ranking teachers and work on real-world issues to ensure you are career ready. We partner with more than 2,500 companies worldwide to bring our students valuable placement, project, research and work opportunities.
The University has developed an enviable research profile, engaging with more than 500 international collaborations across 45 countries. We are focused on making a difference in areas as diverse as cancer treatments, renewable energy, cybersecurity and social innovation.

We have invested heavily in new buildings and facilities totalling over $400 million to expand our campus blueprint.

Our students have access to world-class learning spaces and the latest technologies, along with enhanced research facilities and facilities that further collaborate and connect with the community and industry.

We also actively contribute to the intellectual, cultural and sporting life in South Australia through facilities such as the Anne & Gordon Samstag Museum of Art and the Hawke Centre, and through our sponsorship of events such as the world-class Santos Tour Down Under – the first event on the UCI WorldTour road cycling calendar.

We are a young and confident university, boldly taking on the needs of a changing world.

We are focused on the next generation of great minds and invite you to come and study with the best.

*Ranked 9th in the 2017 THE World University Rankings*
An ENTERPRISING SPIRIT

Building an industry connected, globally enterprising university.
Study.
We are South Australia’s largest university and offer a wide and varied range of degrees, including programs that are unique just to the University of South Australia.

Solutions.
We are taking on the challenges of tomorrow, by finding solutions through world-class research.

Connections.
We are teaming up with local icons and international heavyweights to drive powerful partnerships focused on building more vibrant, advanced and connected communities.

We are Australia’s University of Enterprise.
GET THE CAREER YOU WANT

Industry projects / internships and placements / travel opportunities / employment and career expos / networking events / and more.

At the University of South Australia we are focused on life beyond the classroom and helping you get career ready – that’s why we are number one in South Australia for graduate careers.* We have strong links with industry and take a practical approach to teaching and learning, so that you can make a real impact in your chosen profession.

Career development planning is one of the most important aspects of university life, so we have a dedicated Career Services team to support you with achieving your career goals. They offer an extensive range of services, resources and tools to help you plan your career, get yourself ready for the workplace, connect to industry and most importantly find a job in your chosen field.

unisa.edu.au/careers

STUDY IN WORLD-CLASS FACILITIES

Our campuses are equipped with state-of-the-art facilities including modern lecture theatres, libraries, workshops, laboratories and areas that simulate real work environments. These are all supported by the latest technologies and a fully interactive online learning platform.

For more information see our campuses on pages 18–23.

LEARN FROM TOP RANKING TEACHERS

Learn from highly experienced academics and industry professionals who are leaders in their field. We are Australia’s number one young university for teaching quality in the 2017 Times Higher Education Top 200 Under 50 Teaching Indicator and are in the top 10 nationally for the number of staff who hold a PhD.

SEE THE WORLD

Each year our students have the chance to take part in study tours, work placements, volunteer trips, international conferences and student exchange programs. We work with more than 70 partner institutions offering a variety of full-semester and full-year international exchanges and short-term opportunities during summer or winter school. In addition, most overseas experiences are available for credit, and the University has several funding and scholarship opportunities.

unisa.edu.au/globalopportunities

JOIN OUR GLOBAL ALUMNI

When you graduate, we’ll welcome you to our global alumni network. We have over 200,000 alumni around the world, supported by five formal international networks in Hong Kong, China, Singapore, Malaysia and the United Kingdom. Membership is free, lifelong and worldwide. All you need to do is update your details when you graduate to start accessing benefits including the Alumni Business Directory, professional services, and online networking community – Global Connect.

Discover ADELAIDE

The University of South Australia is located in Adelaide, Australia’s education city.

THE DESTINATION

Adelaide is a beautiful and well-ordered city, surrounded by parklands, pristine beaches, and the lush green hills and valleys of Australia’s premier wine districts. You’ll find it makes an ideal home away from home with a strong sense of community usually reserved for small towns, combined with the vibrant activity of a capital city.

Adelaide is also globally connected, sharing partnership agreements with cities around the world, including:

Austin, USA / Christchurch, New Zealand / George Town, Malaysia / Himeji, Japan / Qingdao, China / Dalian, China / Chengdu, China

FAST FACTS

Capital city / Adelaide
State population / 1.7 million
Adelaide population / 1.3 million
Language / English
Currency / A$ 
Area / 984,377 square kilometres
Coastline / 3,700 kilometres
Major exports / Metals, wine, education

INTERNATIONAL DISTANCES TO ADELAIDE

Dubai – 13 hours 25 minutes
Hong Kong – 8 hours 20 minutes
Kuala Lumpur – 7 hours
Singapore – 6 hours 30 minutes
Approximate times displayed for direct flights.
WHY STUDYING HERE IS SO REWARDING

Accessible
Adelaide offers all of the advantages of big city life yet is small enough to get around easily. It takes just 20 minutes to get from the airport to your city campus, or from your city campus to the beach.

Accepting
Almost one in four people in South Australia were born overseas with ancestry tracing back to more than 120 countries. Australia also has a democratic system of government and is tolerant of different religious beliefs and practices.

Affordable
Adelaide has one of the highest standards of living of any city in the world, yet is one of the least expensive.

COMFORTABLE CLIMATE
Adelaide has a Mediterranean climate with hot, dry summers and mild winters.

Daytime temperatures

Summer ______ 25°C–35°C
December–February
Mainly hot & dry

Autumn ______ 20°C–25°C
March–May
Mainly dry

Winter __________ 10°C–15°C
June–August
Cool & wet

Spring __________ 20°C–25°C
September–November
Little rain

AUSTRALIA’S GREEN CITY

Did you know?

• Adelaide is one of Australia’s most environmentally friendly cities.
• The famous parklands are made up of 29 parks, which surround the city centre.
• Adelaide City Bikes has more than 500 bikes available for free hire. We also have hire sites located at both the City East and City West campuses.

EXPLORE OUR CAMPUSES
Adelaide..............................page 18
Suburban..............................page 20
Campus location map...............page 25
WORLD’S 5TH MOST LIVEABLE CITY

Adelaide is ranked as the world’s fifth most liveable city in the latest Economist Intelligence Unit’s Liveability Index and has been recognised for its stability, healthcare, culture, environment, education and infrastructure.

SPORTING STAGE

Adelaide is home to a vibrant sporting culture and events such as the adrenalin-charged Adelaide 500 motor race and World Solar Challenge.

The multi-million dollar refurbishment of Adelaide Oval has also brought a new edge to the city’s sporting scene with ‘Aussie Rules’ football games, international cricket matches, soccer, and more.

The Santos Tour Down Under, the first ProTour cycling race to be held outside of Europe, brings the world’s cycling elite to Adelaide. The University sponsors the Australian national team and is a huge participant in the eight-day event.

southaustralia.com
Adelaide Oval / Based in the heart of the city, this iconic venue plays host to national and international entertainment and sporting events, seating over 50,000 people.

Glenelg Beach / Located just 12 kilometres from the city, Glenelg offers classic seaside charm with a white sandy beach known for wild dolphins, diving and snorkelling.

Image courtesy of Adelaide Oval SMA Ltd (Photographer: John Montesi).
Barossa Valley / This world-famous region offers breathtaking views, gourmet food and wine festivals, and magical experiences such as hot air balloon rides.

FESTIVAL FEVER

Adelaide is the festival city and every year it comes alive with an explosion of colour, lights, music and culture.

The world-famous Adelaide Festival is Australia’s largest multi-arts festival. Held every year around March, it attracts hundreds of thousands of people from across the country and around the world.

Other big festivals include the Adelaide Fringe Festival, OzAsia Festival, Adelaide Film Festival, WOMADelaide, Tasting Australia and the Adelaide Cabaret Festival. The University supports Adelaide’s festival scene through sponsorships and links to many of these events, and discounted tickets are often available to our students.

South Australia is host to MORE THAN 400 FOOD, ARTS AND CULTURAL EVENTS each year.
Santos Tour Down Under / The University is a proud Premier Partner of this global event held in Adelaide each year.

Fringe Festival / This is the largest open access arts festival in the Southern Hemisphere, providing 31 magical days of events where Adelaide comes alive with exciting pop-up venues.

OzAsia Festival / This is Australia’s premier international arts festival focusing on Asia. The city of Adelaide is transformed through a mix of contemporary art, the annual Moon Lantern Festival, and international music at the Good Fortune Market.
Our CAMPUSES

Our two city campuses are conveniently located in the heart of the Adelaide CBD.
CITY WEST

City West campus is located on the western edge of the CBD. The West End is fast becoming an arts, food and cultural hub, paired with exciting new developments in business and the health industry. City West features a variety of modern facilities including the multi-award winning Jeffrey Smart Building (JSB) and the newly-built Pridham Hall – home to a flexible event and graduation space, public sports complex and swimming pool.

What you’ll study

Art, Architecture and Design
Business
Finance
Law
Marketing

On campus

IRESS Finance Trading Room / Law Clinic / Mock court / Marketing Clinic / Architecture studios and workshop / Visual art and design studios / Photography darkroom / Post office / Cafés with outdoor dining / Jeffrey Smart Building / Student Lounge / SASA Gallery / Architecture Museum / Samstag Museum / Pridham Hall / Health Innovation Building / UniSA Health and Medical Clinic / MOD (a futuristic museum of discovery)

Nearby

Live music venues / Fashion, music and books stores / Cafés and restaurants / Lion Arts Centre and Mercury Cinema / The Jam Factory / Adelaide Oval / Royal Adelaide Hospital / Central Markets and Chinatown

Lonely Planet has ranked Adelaide’s West End as one of the top three “coolest neighbourhoods” in Australia. It has been recognised for its pedestrian friendly laneways, world-class food and hospitality scene, architectural gems and buzzing atmosphere.

CITY EAST

City East boasts impressive educational facilities and is located in close proximity to some of Adelaide’s best eateries, bars and shopping, providing a vibrant city setting. The campus is home to our health science programs and community health clinics. City East also features a range of state-of-the-art laboratories and a fully-equipped gym.

What you’ll study

Construction Management
Human Movement
Medical and Medical Radiation Sciences
Nursing and Midwifery
Nutrition and Food Sciences
Pharmacy
Physiotherapy
Podiatry

On campus

Replica hospital and community health settings / Anatomy Lab / Pharmacy Lab / Histopathology and Haematology Lab / Microbiology Lab / Biomechanics Lab / Sensory Lab / Exercise Physiology Lab / X-ray suites / Virtual Environment Radiation Training Suite (VERT) / Built Environment Experiential Learning Suite / Commercial kitchen / Environmental Chamber / Gym / Cafés and outdoor plaza / Student lounges

There are also multiple community health clinics located on campus including the Physiotherapy Clinic, Podiatry Clinic, High Performance and Exercise Physiology Clinic, and the UniSA Health Medical Clinic.

Rundle Street cafés, shops and cinemas / Adelaide Zoo / Botanic Gardens / Museum, State Library and the Art Gallery / River Torrens / National Wine Centre / Adelaide event zones

unisa.edu.au/campus-facilities
MAGILL

Nestled near the foothills in the leafy eastern suburbs, Magill campus combines lush gardens and open spaces with world-class study facilities. These include industry-standard television and radio studios, a purpose-built social work studio, community Psychology Clinic and a theatre for performing arts.

What you’ll study

Arts
Communication and Journalism
Education (Early Childhood)
Education (Primary)
Psychology
Social Work

On campus

TV Studio / Sound Studio / Radio Studio / Journalism newsroom / Theatre / Language Lab / Social Work Studio / Cognitive Neuroscience Laboratory / Sleep Centre / Psychology Clinic / Allied Health Clinic / Gym / Outdoor sports field / Swimming pool / Cafés / Parklands and lawn areas

Nearby

Cafés and restaurants / Norwood Parade shopping precinct / Movie cinemas / Historic winery / National parks / Cleland Wildlife Park / Magill Road shopping precinct / Walking and hiking trails

MAWSON LAKES

Located near more than 85 high-technology companies that make up Technology Park, Mawson Lakes campus forms part of an innovation hub in Adelaide’s northern suburbs. This campus is home to South Australia’s largest IT School and features state-of-the-art learning spaces for engineering, science, technology and design.

What you’ll study

Aviation
Education (Primary)
Education (Secondary)
Engineering
Information Technology
Science and Mathematics

On campus

Industry-standard engineering facilities / Specialist IT facilities / Mac and CISCO networking labs / Materials and Minerals Science Learning and Research Hub / Future Industries Institute / Planetarium / UniSA Aviation Hangar (located near campus) / Ecological precinct / Drama centre / Cafés, lawn and outdoor dining areas / Sports centre and gym

Nearby

Cafés and restaurants / Walking and bike trails / Drive-in movie cinema / Mawson Central Shopping Mall / Sporting grounds and golf course / Mawson Centre – a shared space for the University and community / Technology Park
Our suburban campuses offer picturesque settings in Adelaide’s northern and eastern suburbs.
Pridham Hall
This is the new heart of the University where we host graduations, functions and sporting events. Take a virtual tour by downloading the Pridham Hall app in Google Play or the App Store.

Student Lounge
This was designed by our students as a place to come together outside of study time. It includes kitchen facilities, mobile charging stations, large-screen TVs, table tennis and pool tables as well as a variety of social spaces. See more at unisa.edu.au/studentlounge
**Health Innovation Building**
The $247 million Health Innovation Building is located in SA’s health and biomedical precinct in the Adelaide CBD, and is focused on creating new opportunities for research, teaching and community engagement. Check out this world-class project at unisa.edu.au/HIB

**Jeffrey Smart Building**
The award-winning Jeffrey Smart Building features the very best in modern learning facilities. It boasts over $8 million in new technologies with 600+ student computers, high tech and silent study zones, cafes and social spaces. Discover more at unisa.edu.au/JSB
Getting TO CAMPUS

PUBLIC TRANSPORT
You’ll find bus stops near each campus and train stations close to the city and Mawson Lakes campuses. Check your bus, train or tram options on the Adelaide Metro website. You’ll also be entitled to the same public transport discounts as local students saving you hundreds of dollars every year.

adelaidemetro.com.au

CAMPUS CONNECTOR
We run a free bus service between the Magill and Mawson Lakes campuses to make life easier for staff and students who make the journey. For full timetable and route details visit:
unisa.edu.au/campusconnector

CAR PARKING
The Magill and Mawson Lakes campuses provide on-site car parking. Tickets are purchased through the UniSA Parki app available through the App Store and Google Play, or from easily located ‘Pay and Display’ metered parking machines. Car parking will cost you from $0.20 an hour to $1.50 for a full day (8:00am–6:00pm). For city campuses, there is metered on-road and commercial parking nearby, with costs starting at $4.00 an hour to $15.00 a day for early bird rates.

MOTORCYCLE PARKING
You can park your motorcycle on University grounds at City East, Magill, and Mawson Lakes campuses with a UniSA parking permit. At City West, motorcycles can be parked in the designated council parking bays.

ACCESS PARKING
Access parking for people with a disability is available with a parking permit on every campus. Council disabled parking bays are also available.

RIDE YOUR BIKE
Cycling is a great way to get to your campus. It’s fun, cheap, good for the environment, and an excellent form of exercise. Each campus has shower facilities and secured bicycle storage areas. You can also hire an Adelaide Free Bike from Security at City East or City West to get around during daylight hours.
We can meet you at the airport

unisa.edu.au/on-arrival-reception
Your STUDY EXPERIENCE

LIBRARY RESOURCES
Your campus library provides easy access to a large range of resources including books, electronic journals, databases and more. Make the library catalogue and databases your first stop for researching your assignments, and attend one of our workshops designed to improve your research skills. We also have private group learning spaces available on every campus and you can connect to our free Wi-Fi.

24/7 ONLINE LEARNING
Our multi-million dollar fully interactive online learning environment provides for online submission and return of assignments, support for learning, virtual classrooms, lecture recordings and more. It’s part of our comprehensive Digital Learning Strategy, and it’s available to you 24 hours a day, seven days a week.

GETTING HELP
Library staff can be contacted virtually using video conferencing or you can arrange to meet in person. The Ask the Library/IT service is also available via phone, email, video and chat. See back cover for more information on connecting with the University.

STUDENT APPS
Download the UniSA app for Apple and Android to access a range of services and resources to help you with your studies including timetable management, assessment reminders, notifications, email, calendar and more.

unisa.edu.au/studentapp

We have also developed the SafeZone app that will connect you directly to our security teams should you need assistance or emergency support while you are on campus.

unisa.edu.au/safezone

STUDENT ASSOCIATION
USASA provides a voice for students and offers key services including student representation and advocacy, coordinating student clubs and selling second-hand text books. They also organise social events, competitions and the student-led magazine – The Verse.

unisa.edu.au/usasa
Scholarships

Each year more than 2,500 students at the University of South Australia benefit from scholarships and grants totalling millions of dollars. We have a range of categories including support for high achievers and students in need, along with scholarships specifically for international students.

Generous support is also available for research students. See page 73 for more information.

unisa.edu.au/scholarships

Australia Awards

The Australia Awards are prestigious international scholarships and fellowships funded by the Australian Government, offering the next generation of global leaders an opportunity to undertake study, research and professional development in Australia.

We host a number of awardees and our dedicated team provides a support service from application to graduation.

australiaawards.gov.au
Research at the University of South Australia is inspired by challenges and opportunities, partnered with end-users and communities, and underpinned by excellence.

SOLUTIONS FOR A CHANGING WORLD

The rapid pace of global change is driving many new social, economic and environmental challenges. Research at the University has been positioned around six key themes to ensure we can deliver innovative and sustainable solutions that respond to the most pressing needs of our world today.

---

**An age friendly world**

Unlocking human potential across the community through intergenerational approaches.

---

**Transforming industries**

Building industries and economies for the future.

---

**Cancer**

Taking on one of the world’s greatest health challenges with the aim of improving prevention, diagnosis, treatment and patient care.

---

**Transforming societies**

Examining and evaluating changes in the world and the impact on our lives.

---

**Healthy futures**

Understanding, treatment and prevention of chronic diseases.

---

**Scarce resources**

Developing safe and sustainable practices for managing the world’s finite resources.

---

Interneurons control the balance and functioning of the brain.

Zarina Greenberg, Research Assistant, Centre for Cancer Biology.
HIGHER DEGREES BY RESEARCH

The University offers a wide range of research degrees including a PhD, professional doctorate or masters by research. Our research environment is supported by highly experienced and engaged supervisors, with strong connections to industry, government and communities.

Our research degrees are focused on producing new knowledge, providing solutions to global challenges and preparing candidates for competitive careers.

Find out how to become a research student at the University on page 71.

TYPES OF RESEARCH DEGREES

Masters by research (2-years)
Students learn, under supervision, how to analyse a thesis topic at an advanced level and apply research methodology and techniques to the contribution of new knowledge.

Doctor of Philosophy (PhD) (4-years)
PhD students prepare a thesis which represents a significant contribution to their chosen field. Graduates will be capable of independently planning and executing original research that generates new knowledge.

Professional doctorate (4-years)
This is a rigorous program of advanced study and research which meets the needs of industry, and consists of coursework and research.

RESEARCH CONCENTRATIONS

Ehrenberg-Bass Institute for Marketing Science / Future Industries Institute (FII) / Sansom Institute for Health Research / Centre for Cancer Biology (CCB) / Institute for Telecommunications Research (ITR) / Australian Centre for Child Protection / Institute for Choice / Centre for Islamic Thought and Education / Centre for Workplace Excellence
Supporting YOU

Connect with our expert support services to make your life at university easier.

We want you to be successful, and if you need help you’ll have it. We provide a full range of integrated support services including academic counselling, personal counselling, social support services, common rooms, prayer rooms, security officers, and a range of other services offered through our students association, USASA.

Your Campus Central office will help you with your enrolment, ID cards, fees, timetables and any other questions you might have.

YOUR SUPPORT AT A GLANCE

Community health clinics / disability services / counselling / mentoring / Legal Advice Clinic / health and fitness centres / wellbeing resources and advice / international student services / accommodation

FAMILY SUPPORT

The University also offers advice and assistance on settling into life in Adelaide and Australia for partners or other family members who accompany international students.

GETTING STARTED

We have specialised services and staff that can help you transition into the University, and provide information and advice about:

- On arrival transport to your accommodation
- Life in Adelaide
- Your orientation to university
- Work rights in Australia
- Community and government services
- Academic policies and procedures

unisa.edu.au/internationalstudentsupport

STUDENT SERVICES

We provide a range of free online services and resources specifically for international students. We also offer face-to-face support including counselling and disability services, careers advice, study help, and assistance with student health cover.

Apply now with our online application system

Save and submit your application at any time, track its progress, and accept your offer, all in one place. For more information visit:

unisa.edu.au/international/apply
A sponsored student is someone who has all or part of their education costs paid by a third party, such as a foreign government, the Australian Government, a partner university or an employer. We currently host more than 300 sponsored students and understand their needs. Our international office has a team of staff dedicated to working with students and sponsor bodies to achieve the best outcome for all.

As the central contact point for sponsors, the international office liaises with a wide range of services across the University, to ensure applications are prioritised, and student orientation and support services are readily available after arrival.

unisa.edu.au/sponsored-students
Accommodation OPTIONS

Dedicated student accommodation

**Student hostels**
A$140–A$200 per week
Student hostels provide fully-furnished single rooms with a shared kitchen, bathroom and recreational facilities. Bills (such as electricity) are included in the rent. These are great places to meet fellow students and build networks.

**Student apartments**
A$150–A$390 per week
A variety of student apartment options are available in the city and near our suburban campuses. These include fully-furnished one to six bedroom apartments, with shared kitchen, living and bathroom facilities. Chores and household expenses are usually negotiated with fellow tenants.

Please see the map on page 25 for site locations.

**Residential colleges**
A$325–A$490 per week
Located in North Adelaide, a 10 minute walk from the city, are a number of residential colleges which offer fully-furnished single rooms with a bed, desk, chair, telephone and wardrobe. Most include meals and provide access to computers, the internet, a library, music rooms, sporting facilities and a laundry.

Non-profit housing
Several not-for-profit and subsidised housing options are open to students. Eligibility criteria and waiting lists apply.

For more information about your accommodation options visit: unisa.edu.au/accommodation

For personalised advice contact:
Phone: +61 8 8302 0877
Email: accommodation@unisa.edu.au

Shared outdoor balcony space located on North Terrace.
**TEMPORARY ACCOMMODATION**

If you have not finalised your long-term accommodation, please ensure that you arrange temporary accommodation before arriving in Adelaide. Plan to arrive two weeks before the start of your program to allow enough time to select accommodation and get settled.

unisa.edu.au/temporary-accommodation

**HOUSING FAQS**

If you decide to rent, it is important to know your rights and obligations. To help avoid common rental traps, go online and check out our helpful Housing FAQs.

unisa.edu.au/housingfaqs

---

**Private rental accommodation**

**Private rental**

A$120–A$350 per week

Renting privately can be a very affordable housing option if you are prepared to shop around. You can rent an entire property, share with other students, or live in a home with a family, couple or single person.

**Homestay**

Approximately A$550 per week

Students can live in a home with a family, couple or single person. Costs include your own furnished room, meals and utilities. Stays can be as short as four weeks.

---

**STUDENT RENTAL DATABASE**

This is a great way to find the ideal place to stay. Login for exclusive search access, get contact information for listings, save listings to your shortlist and more.

You can also look for vacancies through real estate agencies and newspaper classifieds.

unisa.edu.au/accommodation/rental

Note: the University does not inspect private rental properties (including those in the rental database). It is very important that you inspect the accommodation carefully and meet future housemates before paying money or agreeing to lease.

---

**TEMPORARY ACCOMMODATION**

If you have not finalised your long-term accommodation, please ensure that you arrange temporary accommodation before arriving in Adelaide. Plan to arrive two weeks before the start of your program to allow enough time to select accommodation and get settled.

unisa.edu.au/temporary-accommodation

**HOUSING FAQS**

If you decide to rent, it is important to know your rights and obligations. To help avoid common rental traps, go online and check out our helpful Housing FAQs.

unisa.edu.au/housingfaqs

---

**UniSA STUDENT ACCOMMODATION BY urbanest**

The new urbanest Bank Street offers intelligently designed, modern apartments and studios. Located in the heart of Adelaide’s CBD, it’s directly across from the central railway and tram stations, and bus links to a number of suburbs. It’s a five minute walk to Rundle Mall – Adelaide’s premier shopping district – and in between our City East and City West campuses. There is also easy access to public transport for both our Magill and Mawson Lakes campuses. You can choose to live in a fully-furnished shared apartment or your own studio, both including the following services:

- Swipe card access and CCTV
- Gym facilities
- iMAC stations
- Secure bike store
- Wireless internet
- 24/7 onsite team
- Big screen TV and games room
- Outdoor balcony with BBQs
- Laundry

There is also additional value included in your rent such as electricity, water, contents insurance (up to A$3,000) and 100GB internet allowance per month. You’ll have support upon arrival with a property induction and welcome events, along with access to uLife – a community support and engagement program that’s free for all residents.

Your rent also gives you access to gym and pool facilities on all campuses, cooking classes, a peer assisted learning support program and free transport services from the airport when you arrive in Adelaide for the first time.

For more information and a 360° virtual tour visit unisa.edu.au/accommodation

---

**Note:** all costs are per person in Australian dollars and are only an approximate.
UniSA BUSINESS SCHOOL

The UniSA Business School is ranked in the top one per cent worldwide* and is one of only nine business schools in Australia to be accredited by EQUIS – the EFMD Quality Improvement System. Develop advanced skills in leadership, strategy and decision-making.
Build the confidence to manage organisations and achieve key business objectives.
Focus on business ethics, leadership and performance, managing the global workforce, entrepreneurship and innovation, and managing change.

Gain a generalist masters qualification or choose an industry specialisation to tailor your studies.
Be mentored by a senior business leader through the Executive Partners Program.
Benefit from teaching informed by industry professionals and world-class research in management, marketing and business.

Complete industry placements, overseas study tours and elective courses to suit your professional development needs.

SPECIALISATIONS

HUMAN RESOURCE MANAGEMENT
Develop contemporary management skills in the areas of strategic management and human resources. Gain the confidence to manage organisational structures, resourcing and culture.

MARKETING
Study advanced skills in leadership focusing on marketing strategy, planning and decision-making. Connect with world-class researchers from the Ehrenberg-Bass Institute for Marketing Science and the Institute for Choice.

SUPPLY CHAIN MANAGEMENT
Explore networks and processes through logistics and global supply chain management. Build your project management skills and understanding of managing sustainable value chains. Focus on key areas such as business analytics and integrated logistics.

TOURISM AND EVENT MANAGEMENT
Learn the principles and practices of tourism coupled with project and event management. Graduate with the capabilities to be a successful leader and decision maker in a fast-paced environment and pursue a global career in the tourism, event and hospitality sectors.

CAREER OPPORTUNITIES
Depending on your specialisation, your career options could include:
• Business manager
• General manager
• Business executive
• Brand manager
• Marketing manager
• Corporate affairs manager
• Event manager
• Operations manager
• Human resources manager
• Chief human resources officer

ENTRY REQUIREMENTS
Bachelor degree or higher in any discipline from a recognised higher education institution.

Gain advanced knowledge in decision-making for senior managers and the latest in management research.

Extend your expertise in areas such as strategic, marketing, finance, leadership, ethics and sustainability, law, and international business.

Engage with a cohort of experienced peers from diverse industry backgrounds, in a highly interactive learning environment.

Complete a unique course offering through our partnership with the Australian Institute of Company Directors (AICD).

Participate in a global study experience with a two-week Business in China Intensive School (BICIS) or the European Summer School of Advanced Management (ESSAM).

SPECIALISATIONS
FINANCE
Learn to lead exceptional teams focused on creating new solutions and exceptional results. Study advanced leadership and management coupled with courses in corporate finance, investment management, financial markets, risk or banking.

HUMAN RESOURCE MANAGEMENT
Access the latest human resource management research and learn from curriculum that is informed by the Centre for Workplace Excellence. Develop strategic management skills and focus on courses in industrial relations, employment law, employee performance, recruitment and selection, workplace learning and development, or health and safety management.

MARKETING
Be immersed in the science behind effective marketing and learn from the latest research and industry findings. Benefit from teaching informed by the Ehrenberg-Bass Institute for Marketing Science – the world’s largest centre for research into marketing. Blend strategic management skills with specialised courses in advertising, brand management, e-marketing, consumer behaviour or marketing planning.

CAREER OPPORTUNITIES
This program is designed for experienced managers and executives and can lead to opportunities in:
- Career progression
- Project management
- Senior management
- Executive leadership

PROFESSIONAL RECOGNITION
This program has been awarded five stars by the Graduate Management Association of Australia (GMAA) for ten consecutive years and five stars for Program Strength by Quacquarelli Symonds (QS).

ENTRY REQUIREMENTS
- Minimum three years full-time management experience and a recognised university undergraduate degree or equivalent professional qualifications; or
- Graduate Certificate in Business Administration (GCA) or Graduate Diploma in Business Administration (GDA) from the University of South Australia with an average of at least Pass Level 1 across four (or more) courses, or an equivalent qualification from the University of South Australia or another recognised university, or
- The Program Director may, under exceptional circumstances, accept candidates with substantial and proven managerial and/or entrepreneurial experience who have demonstrated the potential to meet the learning requirements of the MBA.

Applicants are also required to submit a detailed curriculum vitae or equivalent with at least one referee who can validate work experience.

Note: This is a two-year MBA with a global focus that does not require previous work experience.

Study an early career MBA with a broad global perspective or specialise your studies to suit your interests.
Gain advanced management knowledge and skills to excel in international business.
Learn about international business strategy, international trade, global marketing and managing cultures.
Focus on real-life case studies and apply your expertise to address current global business challenges.
Benefit from experience-based learning opportunities, including overseas study and mentoring by a senior business leader through our Executive Partners Program.

MARKETING
Learn about the complexities behind global buyer behaviour, marketing strategy and planning, advanced marketing analytics and brand management. Benefit from teaching informed by the Ehrenberg-Bass Institute for Marketing Science — the world’s largest centre for research into marketing — and connect with marketing scientists who advise brands like Uber, Kellogg’s and Unilever.

SUPPLY CHAIN MANAGEMENT
Strengthen your knowledge in global supply chains and networks. Focus on logistics and operations management in a global context. Develop advanced skills and expertise in people leadership and performance, economic principles for business and issues in international trade.

TOURISM AND EVENT MANAGEMENT
Become a global citizen and pursue an international career in tourism and event management. Learn the fundamental principles and practices of tourism coupled with advanced project and event management skills. Graduate with the capabilities to be a successful leader and decision maker in a fast-paced environment.

CAREER OPPORTUNITIES
Depending on your chosen specialisation, your career options could include:
- Foreign affairs officer
- International trade officer
- Consultant
- Project manager
- Global business manager
- Event manager

ENTRY REQUIREMENTS
Bachelor degree, graduate diploma or graduate certificate from a recognised higher education institution with a minimum Grade Point Average (GPA) of 4.
Some applicants may be eligible for Advanced Standing and can complete the program in 15 years full-time study or equivalent part-time study.

The University of South Australia Business School’s reputation for strong performance in international rankings and great academics cemented Sincy’s decision to study the new International Master of Business Administration.

She says the excellent support by teaching staff has helped her easily adapt to studies in Australia.

“I really like the interactive teaching and learning approach the University uses. It is very practical and encourages students to speak up and express their own ideas.

“I am really enjoying the new subjects and the opportunity to learn different things.”

Sincy Joseph / INTERNATIONAL MASTER OF BUSINESS ADMINISTRATION
Master of FINANCE DMFC

ART AND DESIGN
Develop the skills to become a creative, technical and professional designer. Tailor your studies with a specialisation that suits your interests and career goals. Learn in state-of-the-art workshops and studios on campus. Benefit from industry masterclasses and learn from national and international design practitioners. Gain practical experience by working on real-life projects and completing an industry placement during your studies.

COMMUNICATION DESIGN
Learn to identify and propose solutions for complex communication design challenges. Develop an advanced body of knowledge in the principles and practices of communication design that extend beyond the visual for a variety of changing socio-cultural, economic and environmental contexts.

CONTEMPORARY ART
Develop your chosen specialisation through advanced studio practice coupled with studies in marketing, business and finance. Specialised fields include: photo, digital and graphic media; censorship and arts writing; painting and drawing, and spatial studies involving public art, sculpture, textiles, glass, ceramics, jewellery and metal.

DESIGN AND CONSTRUCT
Discover the principles and concepts required for various stages of a building project, from its design and documentation through to construction. Develop the skills to critically review and analyse design and construction processes, consolidate information, and provide solutions for multifaceted projects.

INDUSTRIAL DESIGN
Take a leading role in the innovative humanisation of technology including the development of physical products, systems, interfaces and environments. Gain a deeper knowledge of materials and processing technologies used in manufacturing, along with technical skills in digital prototyping for the simulation, development and communication of three-dimensional design.

INTERIOR ARCHITECTURE
Develop advanced knowledge in order to design socially and environmentally responsive interior environments that sustain human existence. Critically identify, review, analyse and propose solutions to address challenges through various stages of a project, from conceptual design to production. Apply both interior design practice and broader design principles.

SUSTAINABLE DESIGN
Focus on the principles and practices required for a sustainable approach to design that can be applied to a range of complex information systems, challenges, concepts and theories. Learn technical and communication skills to design, evaluate, implement and analyse developments that contribute to sustainable design in a global context.

CAREER OPPORTUNITIES
Depending on your specialisation, your career options could include:
- Graphic designer
- Design consultant
- Interior designer
- Digital media designer
- Design studio manager
- Advertising executive
- Sustainable design consultant
- Industrial designer
- Arts administrator
- Art historian
- Art critic

PROFESSIONAL RECOGNITION
Graduates are eligible for Associate Membership with the Design Institute of Australia (DIA), and Membership after three years of professional practice.

ENTRY REQUIREMENTS
Bachelor degree from a recognised higher education institution or equivalent qualification in a related discipline along with a portfolio of work, curriculum vitae and written statement of intent. Applicants who have completed a Graduate Diploma in Design (DGSP) from the University of South Australia are eligible to enter and are not required to submit a portfolio of work and statement of intent. Some applicants may be eligible for Advanced Standing and can complete the program in one year full-time study or equivalent part-time study.

ENTRY REQUIREMENTS

• Bachelor degree or equivalent qualification from a recognised higher education institution with a minimum Grade Point Average (GPA) of 4, and
• One-year full-time equivalent study, as part of the bachelor degree or equivalent qualification, relevant to one or more Learning Areas of the primary school curriculum (Arts, English, Health and Physical Education, Humanities and Social Sciences, Languages, Mathematics, Science, Technologies), which includes a minimum half a year of equivalent study relevant to one of the Learning Areas of the primary school curriculum.

PROGRAM STRUCTURE

FIRST YEAR

- English Language (Junior Primary)
- Mathematics and Science Education
- Curriculum and Pedagogy 1 (HASS and Technologies)
- Curriculum and Pedagogy 2 (Arts and Health and PE)
- Early Childhood Professional Experience and Reflection 1 (Junior Primary A)
- Play, Learning and Development
- Mathematical Thinking and Numeracy
- Critical Perspectives of Education
- Foundations of Learning and Development: A Child Centred Approach
- Early Childhood Professional Experience and Reflection 2 (Infant and Toddler)

SECOND YEAR

- Mathematics and Science Education
- English Language (Early Childhood Education)
- Early Childhood Professional Experience and Reflection 3 (Junior Primary B)
- Curriculum Specialisation
- Early Childhood Professional Experience and Reflection 4 (Preschool)

CAREER OPPORTUNITIES

• Childcare teacher
• Kindergarten teacher
• Preschool teacher
• Junior primary teacher

PROFESSIONAL ACCREDITATION

Graduates can apply for teacher registration in South Australia, interstate and some overseas countries. Applicants should note that there are other criteria determining eligibility for registration by the Teachers Registration Board of South Australia and other registration and regulatory authorities.

This program has also been approved by the Australian Children’s Education and Care Quality Authority (ACECQA).

Quota applies
A partnership between the Australian Technology Network of Universities (of which the University is a member) and the Ministry of Religious Affairs in Indonesia gave Fuad the opportunity to undertake his PhD at the University of South Australia.

Fuad started his university studies with a focus on teaching English as a second or foreign language and is now exploring the field of education even further. He says anyone who decides to study at the University will not be disappointed.

“There is an abundance of resources, considerate supervisors and lots of on campus events. The support services specifically for international students are also very good.

“Career development opportunities are also available through workshops and networking events.”

Fuad Fudiyartanto / PhD CANDIDATE
A unique meeting place of the social sciences, the School of Psychology, Social Work and Social Policy offers cross-disciplinary studies and accredited professional degrees. Gain real experience and learn in state-of-the-art facilities, including practical social work studios, our Cognitive Neuroscience Laboratory, Cognitive Ageing Impairment Neurosciences Laboratory, and on campus Psychology Clinic.

**FEATURED PROGRAMS**
- Master of Social Work

**WE ALSO OFFER**
- Masters by Research
- Doctor of Philosophy

*For more information visit: unisa.edu.au/study

---

**ENTRY REQUIREMENTS**
Bachelor degree or master level qualification in a related discipline (including, but not limited to, human services, community services, social science, psychology, Australian Indigenous or Aboriginal studies, public or community health) from a recognised higher education institution, or equivalent qualification.

Note: Applicants holding a completed Australian bachelor or master level qualification in social work are not eligible for entry into this program.

**PROGRAM STRUCTURE**

**FIRST YEAR**
- Effective Human Service Delivery
- Contemporary Practice Theories for Social Work
- Social Work Practice Skills
- AND
- Elective
- OR
- Social Work in the Australian Context
- Social Work Practicum 1
- Ethical Decision Making

**SECOND YEAR**
- Innovation and Research
- Innovative Social Work Practice with Children and Families
- Mental Health and Social Work Practice
- Human Rights Based Practice and Community Development
- Leadership in Social Work
- Social Work Practicum 2

**CAREER OPPORTUNITIES**
- Aged care worker
- Child and youth welfare officer
- Community development officer
- Disability worker
- Rehabilitation officer
- Healthcare worker
- Court services officer
- Cultural diversity officer
- Social planner
- Social worker

**IMPORTANT INFORMATION**
Students will be required to obtain a National Police Clearance and a current National Criminal History Check (Child-Related Clearance) from the Department for Communities and Social Inclusion (DCSI). You must also hold a current Child Safe Environments Certificate. Some placements may also require a current driver’s licence and a recognised First Aid Certificate.

**PROFESSIONAL RECOGNITION**
Graduates are eligible for membership with the Australian Association of Social Workers (AASW).
HEALTH AND MEDICAL SCIENCES

Healthcare workers are in peak demand around the world. Contribute to science-based prevention, diagnosis and treatment of health-related issues through our diverse range of postgraduate qualifications. Gain access to interactive, state-of-the-art learning environments, the latest research and practice, respected clinical teaching staff and industry placements.

IMPORTANT INFORMATION
On entry to the program, applicants must meet ‘Fitness to Practice in Clinical Placements’ requirements.

CAREER OPPORTUNITIES
Registered Nurses can work in a variety of healthcare settings, including:
- Hospitals
- Primary health and community support services
- Aged/rehabilitative care
- Schools
- Home care
- Drug/alcohol services
- Community health organisations
- Palliative care services
- Child and adolescent health services

FURTHER STUDY
- Master of Nursing
- Master of Health Services Management
- Masters by Research
- Doctor of Philosophy

PROGRAM STRUCTURE
Professional Issues and Nursing Practice in Australia
Transition to Registered Nurse Practice in Australia

Develop the practical skills and knowledge needed to work as a Registered Nurse in Australia.

Learn about the Australian healthcare and legal systems, along with nursing ethics, mental healthcare, Aboriginal health, aged care and nursing research.

Focus on nursing practice through courses in primary healthcare, physical examination, standard precautions and professional communication.

Build your knowledge in pharmacological principles, and respiratory, cardiac, neurological, endocrine, urinary/renal, gastrointestinal and musculoskeletal systems.

Complete a supervised eight-week clinical placement and learn in our unique, clinician-led simulated hospital setting on campus.

PROFESSIONAL ACCREDITATION
Graduates will be eligible to apply for registration as a Registered Nurse with the Nursing and Midwifery Board of Australia (NMBA).

ENTRY REQUIREMENTS
- Registration with the relevant Nurse Registration Authority in your country or place of residence, and
- Bachelor degree in nursing commensurate with the standard of Registered Nurse preparation in Australia (minimum equivalence of Australian Qualifications Framework (AQF) Level 7); and
- Minimum two years’ work experience with 12 months recent practice (within the last two years) as a Registered Nurse in country of practice, evidenced by a certified employment statement dated in the last six months; and
- Letter of approval from the Australian Health Professional Regulation Agency (AHPRA) on behalf of the Nursing and Midwifery Board of Australia (NMBA) to undertake a NMBA approved bridging program.

FURTHER STUDY
- Doctor of Philosophy

CAREER OPPORTUNITIES
This program is designed for registered nurses seeking to further their qualifications and can lead to senior roles in:
- Leadership and governance
- Healthcare policy
- Research
- Education
- Management

ENTRY REQUIREMENTS
- Bachelor degree or higher in nursing from a recognised higher education institution, and
- Minimum Grade Point Average (GPA) of 5 or international equivalent.

Applicants must also be eligible to be licensed to practice as a Registered Nurse in their own country or place of residence and have completed a minimum of two years’ clinical experience as a Registered Nurse.

FURTHER STUDY
- Masters by Research
- Doctor of Philosophy

*See pages 67–69 for details

Benefit from over 40 years’ experience in delivering physiotherapy education.

Gain advanced skills in musculoskeletal or sports physiotherapy depending on your chosen program.

Study core areas such as pain science; change in cognitions, behaviours and lifestyles; and advanced examination across all programs.

Complete industry placements and work alongside fellow registered physiotherapists in our on campus Physiotherapy Clinic.

CAREER OPPORTUNITIES
These programs are designed for qualified physiotherapists seeking to further their qualifications, and can lead to careers in settings such as:
• Amateur and elite, national or international sports
• Hospitals
• Private practice
• Research

IMPORTANT INFORMATION
This program does not qualify students for general registration as a physiotherapist in Australia. Before commencing any clinical courses, students are required to be registered to practice physiotherapy in Australia. International students are required to obtain a ‘Limited Registration’ under supervision from the Australia Health Practitioner Regulation Agency (AHPRA).

PROFESSIONAL ACCREDITATION
These programs are accredited by the Australian Physiotherapy Association.

ENTRY REQUIREMENTS
• Bachelor degree in physiotherapy, or equivalent entry level qualification, from a recognised higher education institution; and
• Minimum 10 months full-time, or equivalent, physiotherapy practice in a relevant field following completion of the professional entry level qualification; and
• Met the requirements for eligibility for registration as a physiotherapist, or limited registration under supervision, with AHPRA (see important Information).

FURTHER STUDY
• Masters by Research
• Doctor of Philosophy

PROGRAM STRUCTURE

INDICATIVE OF MUSCULOSKELETAL FIRST SEMESTER
Allied Health Research Evidence Translation
Musculoskeletal Physiotherapy Theory and Practice 1
Musculoskeletal Physiotherapy Theory and Practice 2
Pain Mechanisms

SECOND SEMESTER
Pain Assessment, Rehabilitation and Management
Facilitating Change
Advanced Physiotherapy Practice 1
Advanced Physiotherapy Practice 2

Anuja took a break from a successful physiotherapy career in India to pursue postgraduate studies in Australia, a learning experience she says she will always cherish.

“The syllabus is well planned and well taught with a great balance of teaching experience, clinical work and research. There is no better combination for aspiring physiotherapists.

“I did two hospital placements and a football placement – the experience of supervised practice is what has made me a better practitioner.”

Anuja is now a consultant developing programs to help the next generation of physiotherapists in India and also runs her own physiotherapy business.

Anuja Dalvi / MASTER OF ADVANCED CLINICAL PHYSIOTHERAPY
DATA AND INFORMATION MANAGEMENT

Our industry and research experts are at the forefront of the digital frontier. Our graduates connect with digital resources from around the world to explore and better inform big data decisions. Our postgraduate programs meet the demand for data-driven skills and technical capabilities to address global challenges in information sharing, storage and security.

Ujala Sinha / MASTER OF ENGINEERING
(ENGINEERING MANAGEMENT)

Ujala hopes to share the knowledge he has gained in Adelaide about sustainable energy to help his home country, India, address the challenges of global warming.

“Being in Adelaide and studying engineering management has taught me a lot about using energy in a sustainable way.

“The courses here are very practical and innovative so it’s easy to see how to apply the theory to real life.”

Ujala has already had the chance to work in his field, after being employed by the University to undertake a research project.
ENGINEERING

Turn ideas into action and inspire the next wave of engineering and new technologies. Get the advantage of theoretical and experience-based learning, including placements, studying in cutting-edge facilities and partnering with industry to meet the challenges of modern enterprise.

Engineering Minor Thesis 2
Master of 
ENGINEERING (CIVIL AND INFRASTRUCTURE) LMCL

ENTRY
CRICOS code* 

IE_088538E

Fees*(indicated 2019) 

A$35,100 pa

IELTS Total

6.5

IELTS Reading

6.0

IELTS Writing

6.0

Start date 

February, July

*See pages 67–69 for details

CAREER OPPORTUNITIES

- Civil engineer
- Structural engineer
- Project manager
- Operations manager

ENTRY REQUIREMENTS
Bachelor degree in civil engineering, or a related discipline, or equivalent qualification.

A related discipline may be other four-year engineering or science degrees.

Some applicants may be eligible for Advanced Standing and can complete the program in 10 or 1.5 years full-time study, or equivalent part-time study.

Note: Applicants who do not meet the standard entry requirements will be assessed on a case-by-case basis by the Program Director.

RELATED DEGREES

- Master of Engineering (Engineering Management)
- Master of Engineering (Water Resource Management)

PROGRAM STRUCTURE

FIRST YEAR

Soil Mechanics

Geotechnical Engineering

Research Data Analysis

Elective 1

Advanced Soil Mechanics

Elective 2

SECOND YEAR

Engineering Masters Design Project

Masters Research Theory and Practice

Elective 3

NBE Masters Research Project

Elective 4

Elective 5

Study advanced water and environmental engineering theories to support our all-important waterways.

Focus on the design and development of critical water resources and management systems.

Benefit from links to the Australian Flow Management Group Laboratories, providing specialist industry services and advances in engineering hydraulics technology through applied research.

Learn in industry-standard facilities and work with the latest high-tech testing and computer modelling equipment.

CAREER OPPORTUNITIES

- Water resources engineer
- Project manager
- Operations manager

Master of Environmental Science

NESTED WITH
• Graduate Certificate in Environmental Science (LCES)
• Graduate Diploma in Environmental Science (LGES)

ENTRY
CRICOS code* 058635G
Fees* (indicative 2019) $33,100 pa
IELTS Total 6.5
IELTS Reading 6.0
IELTS Writing 6.0
Start date February, July
*See pages 67–69 for details

ENTRY REQUIREMENTS
• Bachelor degree, graduate certificate or graduate diploma in a relevant discipline (typically including science, engineering, environmental studies or management) from a recognised higher education institution, or equivalent qualification.
• Applicants with qualifications in other disciplines are encouraged to apply and will be assessed on a case-by-case basis.
• Some applicants may be also eligible for Advanced Standing and can complete the program in one year of full-time study, or equivalent part-time study.

Related Degrees
• Master of Engineering (Water Resources Management)

Program Structure

FIRST YEAR
Seminar in Sustainability
Ecological Economics N
Elective 1
Elective 2
Community Partnerships
Natural Resource Management
Research Theory and Practice
Elective 3

SECOND YEAR
Elective 4
Elective 5
NBE Masters Thesis Part A
Elective 6
Elective 7
NBE Masters Thesis Part B

Career Opportunities
• Natural resource manager
• Environmental manager
• Environmental adviser
• Environmental planner
• Sustainability adviser

For more information visit: unisa.edu.au/study

Develop integrated knowledge in sustainability, natural resources and geospatial sciences.
Further your skills in natural and/or water resources management.
Work with the latest Geographic Information Systems (GIS) and spatial data analysis equipment in state-of-the-art laboratories located on campus.
Complete a major research project that is closely aligned with industry in your final year.
Benefit from links to the University’s Barbara Hardy Institute and the Natural and Built Environments Research Centre.

SciEne and Built Environments

Engage with industry and research experts to improve the natural and built environments. Seek out ways to build new foundations and improve the quality of life for the present and future generations. Explore how the physical universe impacts our society or the science behind environmental mapping and sustainability in the modern world. Develop your professional career in environmental management, project management or surveying.

Featured Programs
• Master of Environmental Science
• Master of Quantity Surveying
• Master of Project Management

We Also Offer
• Graduate Certificate in Built Environment (Building Surveying)
• Graduate Certificate in Environmental Science
• Graduate Diploma in Built Environment (Building Surveying)
• Graduate Diploma in Project Management
• Graduate Diploma in Environmental Science
• Master of Applied Project Management

For more information visit: unisa.edu.au/study

2017 QS Subject Rankings

World Top 100
In Architecture and Built Environment

Australia's Only
Master of Quantity Surveying
Gain advanced knowledge in financial and project management.

Learn to estimate and monitor construction costs from project feasibility through to completion.

Develop the skills to advise in post-construction activities such as tax depreciation schedules, replacement cost estimation and dispute resolution.

Relate theoretical concepts to workplace applications using real data collected from the construction industry.

Benefit from links to the University’s Barbara Hardy Institute – bringing together scientists, engineers and social scientists focused on sustainability.

CAREER OPPORTUNITIES

- Quantity surveyor
- Cost manager
- Estimator
- Project manager
- Operations manager
- Construction economist

ENTRY REQUIREMENTS

- Bachelor degree in construction management or a relevant discipline* from a recognised higher education institution, or equivalent qualification; or
- Graduate certificate or graduate diploma in construction/project management or a relevant discipline* from a recognised higher education institution.

*Relevant disciplines typically include architectural studies, interior architecture, civil engineering, built environments and building. Applicants with qualifications in other disciplines are encouraged to apply and will be assessed on a case-by-case basis.

Some applicants may also be eligible for Advanced Standing and can complete the program in 1.0 or 1.5 years of full-time study, or equivalent part-time study.
HOW TO APPLY

1 FIND THE BEST PROGRAM FOR YOU

Research your options using this guide or by checking information online.

study.unisa.edu.au

2 CHECK ADMISSION REQUIREMENTS

Confirm that you meet all admission requirements including English language, academic entry, program specific requirements and information relevant to your home country. Refer to page 66 for further details.

study.unisa.edu.au

Please note the University of South Australia calculates a grade point average (GPA) on a scale from 1 – 7. For more information, go to:

unisa.edu.au/gpa

3 APPLY

You can apply to study at the University of South Australia via two methods:

> **Online** – apply directly using our secure and streamlined online service. You can save your application and return later to continue the process, as well as track its progress.

unisa.edu.au/international/apply

> **Agents** – you can also apply via one the University’s registered education agents. A list of our agents is available at:

unisa.edu.au/find-an-agent

Depending on your country of citizenship, you may be required to apply through a registered University of South Australia education agent unless you are already onshore in Australia. View the full list of countries by citizenship at:

unisa.edu.au/Do-you-need-to-apply-through-a-registered-UniSA-Agent

Please submit your application at least two months prior to when you wish to commence your studies. Some students may require more time to ensure they receive their visa.

Supporting documentation

Attach the following application documents to your online application to avoid delays.

> Certified* copies of academic transcripts and graduation certificates – including information on your institution’s grading system as required;

> English language test results (eg IELTS or TOEFL) where applicable;

> Detailed syllabi/course outlines of previous studies if you are applying for credit or advanced standing;

> Additional academic and employer references, if required;

> Certified* copy of personal details page and signature page of your passport.

*A certified copy is a copy of the original document that has been certified by an official such as a University of South Australia Education Agent, University of South Australia staff member, Justice of the Peace, Notary Public, police officer or examining authority. Please do not send originals as they will not be returned.

4 APPLICATION ASSESSMENT

The University of South Australia or a registered University of South Australia Education Agent will acknowledge receipt of your application. You will be notified of the outcome of your application between one and three weeks (from the date your application and supporting documentation is received).

If you are eligible for your chosen program, an offer letter package will be sent to you via email. If you are not eligible, we may suggest an alternative program or pathway studies. Your application will be assessed in accordance with the Selection and entry to programs policy which includes the Guidelines on genuine temporary entry and Guidelines on living costs and evidence of funds. These can be found at:

unisa.edu.au/international/apply
5 ACCEPT YOUR OFFER

To accept a place in your offered program you will need to:

> Check the offer letter package carefully to ensure all information is correct in the International Application System:
  Go to: student-unisa.studylink.com
> If you’re ready to accept your offer, log in and complete the following steps:
  1. View your offer online.
  2. Click on the ‘Actions’ button and select ‘Respond to Offer’.
  3. Ensure the offer details are correct and select ‘Accept Offer’.
  4. Upload any additional documents required to meet your condition/s (if applicable).
  5. Select the box to confirm that you have read, understood and agree to the terms and conditions of the offer.
  6. Enter your full name and any comments you have and then click ‘Accept Offer’.
  7. You will then be taken to the University’s Western Union Global Pay For Students where you will be instructed on how to make a payment via Bank Transfer or Credit Card.
  8. Once you have finalised your payment, your Admissions Officer will be advised so they can action your acceptance of offer.

Please note: If you have used an agent as part of your application process, your agent will be able to assist with acceptance of your offer.

6 PREPARE FOR ARRIVAL

Once you have accepted your place there are a few things you can do to help prepare for your arrival at the University of South Australia.

> Enrol online – As an international student, you will be able to enrol online from anywhere, giving you the same choice as local students when it comes to organising your timetable.
> Travel bookings – Flights to Australia can be heavily booked during January, February and July so check with your travel agent early for flight bookings. However, you should not confirm bookings until you receive your CoE document. Once you have confirmed your travel arrangements, you can arrange airport pickup and on-arrival temporary accommodation via the University.
> Arrive on time – It is important you arrive on time to start your program before orientation week as this provides you with vital information and the best possible start to your university career. If you are unable to arrive by the commencement date you may have to defer your offer. Please note: Orientation is compulsory for some programs.
> Orientation – University staff will ensure you receive a warm welcome to Adelaide. Orientation sessions and activities introduce you to life in Adelaide and the University. You also get the opportunity to meet other new students.

unisa.edu.au/international/pre-departure-checklist

Any questions? Visit unisa.edu.au/international, or phone +61 8 8302 0114
### Minimum English Language Entry Requirements

The table below sets out the minimum English language requirements for entry into programs at the University of South Australia and is provided as a guide only. Many programs require higher international English language proficiency scores than those below, so you’ll need to check the specific score for your preferred program in the charts on pages 67–69.

Applicants from countries where English is an official language or who have recent study experience in an English setting may be able to use this study to meet the English language proficiency requirement. If you have completed previous study in English you must send certified documentation from the educational institution stating that the language of instruction was English. The University will consider all applications on a case-by-case basis.

For more information, please visit unsa.edu.au/english-language-requirements

#### English Language Test (see Note 1)

<td>Successful completion of relevant TAFE SA English program</td>
<td>TAFE SA English for Academic Purpose (EAP) Advanced</td>
</tr>
</tbody>
</table>

#### Other Qualifications

- Successful completion within the last two years of an Australian matriculation qualification (or equivalent) undertaken in English in a country in which English is widely used, as determined by the University;
- Successful completion within the last two years of a tertiary qualification at diploma level or above and undertaken in English in Australia;
- Successful completion of at least two years of tertiary study at diploma level or above and undertaken in English within the last four years in a country in which English is widely used, as determined by the University (see Note 2).

#### Note 1: English language test results are generally valid for two years prior to the date of commencement at the University of South Australia.

#### Note 2: Significant and relevant work experience obtained in an English speaking setting may also be accepted at the University’s discretion.

---

### For English Language Help

**Centre for English Language at the University of South Australia (CELUSA)**

Applicants who do not meet the University of South Australia English language entry requirements may be able to study at CELUSA. CELUSA specialises in helping international students improve their English for undergraduate and postgraduate study.

CELUSA offers International English Language Testing System (IELTS) testing and Academic English (AE) language preparation programs for students continuing on to study at the University of South Australia, and the South Australian Institute of Business and Technology (SAIBT).

The length of your AE language program will depend on your English level prior to commencement and the language requirements of your program. However, as a guide, you will normally need to complete 10 weeks of study for every additional 0.5 needed in your overall IELTS score.

Students who are eligible for and successfully complete a CELUSA program at an appropriate level will not generally be required to take the IELTS or other English language test. Please note that some programs will require IELTS for registration.

CELUSA is Adelaide’s IELTS test centre and is based at City West campus. For further information visit the website.

#### Important Information

The University of South Australia reserves the right to alter, amend or delete any program, fee, course, admission requirement, or mode of delivery without prior notice. For the most up-to-date program information visit: study.unisa.edu.au

Please note the University calculates a grade point average (GPA) on a scale from 1 – 7. For more information, go to: unisa.edu.au/gpa

**Flexible study**

Flexible study options, including online, are offered in many programs. For more information visit: unisa.edu.au/newstudents

**Fees**

Fees listed are valid for students enrolling in the 2019 academic year only. Commencing students enrolled should be aware that annual tuition fees will increase for each year of study at the University of South Australia. You will be liable for these fees upon acceptance of an offer from the University. In the event of a variation between the fees listed here and the approved University schedule of tuition fees found at study.unisa.edu.au, the approved University schedule will prevail. All fees are listed in Australian dollars (A$).

### 2019 Academic Calendar

**SP = Study Period**

- **Semester 1**
  - SP1: 14 Jan 2019 – 29 Mar 2019
  - SP2: 4 Mar 2019 – 7 Jul 2019
  - SP3: 8 Apr 2019 – 23 Jun 2019
- **Semester 2**
  - SP4: 1 Jul 2019 – 15 Sept 2019
  - SP5: 29 Jul 2019 – 1 Dec 2019
  - SP6: 23 Sept 2019 – 8 Dec 2019
- **Summer Term**
  - SP7: 4 Nov 2019 – 9 Feb 2020

Please note that some programs may have a different start date. Please check your offer letter for details. Actual teaching dates may vary in a small percentage of programs. It is important that students consult their timetable for exact teaching dates for their specific program.

Commencement of study begins with the University of South Australia's Orientation program. Please ensure your travel plans enable you to arrive in time for this.

**KEY**

- **Home campus codes**
  - CE: City East Campus
  - CW: City West Campus
  - ML: Mawson Lakes Campus
  - M: Magill Campus

- **Indicative 2019 fee subject to change.**
- **This program is not available to international students studying onshore under a student visa.**

**IMPORTANT INFORMATION**

The University of South Australia reserves the right to alter, amend or delete any program, fee, course, admission requirement, or mode of delivery without prior notice. For the most up-to-date program information visit: study.unisa.edu.au

For more information go to: unisa.edu.au/gpa

**Flexible study**

Flexible study options, including online, are offered in many programs. For more information visit: unisa.edu.au/newstudents

**Fees**

Fees listed are valid for students enrolling in the 2019 academic year only. Commencing students enrolled should be aware that annual tuition fees will increase for each year of study at the University of South Australia. You will be liable for these fees upon acceptance of an offer from the University. In the event of a variation between the fees listed here and the approved University schedule of tuition fees found at study.unisa.edu.au, the approved University schedule will prevail. All fees are listed in Australian dollars (A$).

**2019 Academic Calendar**

SP = Study Period

**Semester 1**
- SP1: 14 Jan 2019 – 29 Mar 2019
- SP2: 4 Mar 2019 – 7 Jul 2019
- SP3: 8 Apr 2019 – 23 Jun 2019

**Semester 2**
- SP4: 1 Jul 2019 – 15 Sept 2019
- SP5: 29 Jul 2019 – 1 Dec 2019
- SP6: 23 Sept 2019 – 8 Dec 2019

**Summer Term**
- SP7: 4 Nov 2019 – 9 Feb 2020

Please note that some programs may have a different start date. Please check your offer letter for details. Actual teaching dates may vary in a small percentage of programs. It is important that students consult their timetable for exact teaching dates for their specific program. Commencement of study begins with the University of South Australia’s Orientation program. Please ensure your travel plans enable you to arrive in time for this. Visit: unisa.edu.au/newstudents

**For international students**

**IELTS English language requirements**

Please refer to page 66 for minimum English language requirements for postgraduate study.

**IMPORTANT INFORMATION**

The University of South Australia reserves the right to alter, amend or delete any program, fee, course, admission requirement, or mode of delivery without prior notice. For the most up-to-date program information visit: study.unisa.edu.au

Please note the University calculates a grade point average (GPA) on a scale from 1 – 7.

For more information go to: unisa.edu.au/gpa

**Flexible study**

Flexible study options, including online, are offered in many programs. For more information visit: unisa.edu.au/newstudents

OFFSHORE PROGRAMS

We are committed to building strong global links with highly ranked partners to deliver quality offshore programs meaning you can still be part of the University of South Australia from your home country. Discover some of our offshore offerings in Hong Kong below.

Hong Kong Management Association (HKMA)

HKMA is a non-profit organisation aiming to advance management excellence in Hong Kong and the region since 1960. Since its establishment, HKMA has played a major role in contributing to the economic success of Hong Kong by providing a wide variety of high quality management training and services.

PROGRAMS:
- Master of Business Administration (Finance) – OMMAA
- Master of Business Administration (Human Resource Management) – OMMAA
- Master of Business Administration (Marketing) – OMMAA

hkma.org.hk

Hong Kong Baptist University (HKBU)

The University has partnered with the School of Continuing Education (SCE), at Hong Kong Baptist University for over 20 years. The SCE was founded in 1975 and has been providing people of all ages with options for professional and academic advancement to meet the needs of the rapidly changing society.

PROGRAMS:
- Bachelor of Business (Management) – OBBCH
- Bachelor of Business (Tourism and Event Management) – OBBTH
- Bachelor of Nutrition and Food Sciences (Food Sciences) – OBFSH
- Bachelor of Psychological Sciences – OBPSH
- Bachelor of Aviation (Management) – OBANH

HOW TO BECOME A RESEARCH STUDENT

Your pathway to becoming a research student at the University of South Australia.

1 FIND A RESEARCH AREA

Match your interest to an area of research at the University of South Australia.

Our research areas include:

**BUSINESS AND LAW**
- Accounting
- Applied Economics
- Arts Management
- Finance
- Human Resource Management and Organisation Behaviour
- International Business
- Law
- Management and Corporate Social Responsibility
- Marketing
- Property
- Sports, Tourism and Leisure Management
- Sustainability Governance

For more information about research possibilities, contact PhDEnquiriesBusiness@unisa.edu.au

**HEALTH AND MEDICAL SCIENCES**
- Cancer Biology
- Health Sciences
- Human Movement
- Laboratory Technology (Masters only)
- Medical Radiation
- Medical Science
- Nursing
- Occupational Therapy
- Pharmaceutical Science (Masters only)
- Pharmacology (PhD only)
- Pharmacy
- Physiotherapy
- Podiatry
- Population Health
- Public Health

For more information about research possibilities, contact HSC-HealthResearch@unisa.edu.au

**EDUCATION, ARTS AND SOCIAL SCIENCES**
- Architecture
- Australian Studies
- Cognitive Neuroscience
- Communication
- Creative Industries
- Design (Industrial)
- Design (Visual Communication)
- Education
- Indigenous Studies
- Interior Architecture
- Languages and Linguistics
- Psychology (PhD only)
- Social Work and Social Policy
- Sociology
- Visual Arts

For more information about research possibilities, contact EASResearchStudents@unisa.edu.au

**ENGINEERING, SCIENCE AND TECHNOLOGY**
- Applied Physics
- ATN Industry Doctoral Training Centre
- Bioinformatics
- Biomaterials Engineering and Nanomedicine
- Civil Engineering
- Computer and Information Science
- Construction Management
- Electrical and Information Engineering
- Energy and Advanced Manufacturing
- Environmental Science and Engineering
- Environmental Science
- Geographic Information Science
- Mathematics
- Mechanical and Manufacturing Engineering
- Minerals and Resources
- Project Management
- Statistics
- Systems Engineering

For more information about research possibilities, contact research.itee@unisa.edu.au

Refer to pages 74–76 for the course codes you will need for your application.

Please send an email to the relevant email address if unsure which course code to use.
Your eligibility to become a research student at the University depends on the type of degree you wish to study, as well as your prior qualifications and professional experience. Students from non-English speaking countries will also need to demonstrate their capacity to undertake study in English before being accepted into a program.

The eligibility criteria listed below are a minimum. Eligibility is also subject to the assessment of the proposed research, the availability of a supervisor, and any school or research-specific requirements.

### Degree Minimum eligibility requirements

<table>
<thead>
<tr>
<th>Degree</th>
<th>Minimum eligibility requirements</th>
</tr>
</thead>
<tbody>
<tr>
<td>PhD</td>
<td><strong>Honours 1, Honours 1 equivalence, Honours 2A, Honours 2A equivalence or an appropriate master degree or equivalent (your qualifications will be assessed).</strong> OR Individual assessment of qualifications and research capabilities as proven through evidence of professional work experience in the field of proposed study and by relevant quality publications. The outcome of this assessment will determine which of the degree options are available to you.</td>
</tr>
<tr>
<td>Professional Doctorate</td>
<td><strong>Honours 1, Honours 1 equivalence, Honours 2A, Honours 2A equivalence or an appropriate master degree or equivalent (your qualifications will be assessed).</strong> OR Individual assessment of qualifications and research capabilities as proven through evidence of professional work experience in the field of proposed study and by relevant quality publications. The outcome of this assessment will determine which of the degree options are available to you. <strong>Professional Doctorate candidates must also demonstrate at least five years practice in a relevant field, and normally within the last ten years.</strong></td>
</tr>
<tr>
<td>Masters</td>
<td>An <strong>Honours degree or a bachelor degree with Honours or a relevant bachelor degree (or equivalent) of at least three years with a minimum credit average, or an appropriate master degree (your qualifications will be assessed for equivalence).</strong> OR No tertiary qualifications, but you can demonstrate research capabilities through evidence of professional work experience in the field of proposed study and by relevant publications.</td>
</tr>
</tbody>
</table>

### Minimum English language entry requirements for international research students

<table>
<thead>
<tr>
<th>English Language Test (see Note 1)</th>
<th>Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>IELTS (International English Language Testing System) Academic</td>
<td>7.0 for English language-rich programs with a minimum of 6.0 in each sub-score (see Note 2)</td>
</tr>
<tr>
<td></td>
<td>6.5 for non English language-rich programs with a minimum of 6.0 in each sub-score (see Note 2)</td>
</tr>
</tbody>
</table>

OR corresponding results from an equivalent test such as Test of English as a Foreign Language (TOEFL); the University of Cambridge English for Speakers of Other Languages (ESOL) Examinations for the Certificate of Proficiency in English (CPE) or the Certificate in Advanced English (CAE), the Pearson test, or the appropriate academic English language level delivered by the Centre for English Language at the University of South Australia (CELUSA).

Applicants from countries where English is an official language or who have had recent and relevant experience in an English setting may meet our minimum English entry requirements in a number of alternative ways. Evidence must be provided.

unisa.edu.au/research-degree-english-language-requirements

**Note 1:** Results from IELTS, University of Cambridge ESOL examinations and TOEFL are generally valid for two years and must be valid at time of commencement. For scholarships, test results must be valid at the scholarship closing date.

**Note 2:** To determine which programs are language-rich and which are not, please visit:

unisa.edu.au/research-degree-english-language-requirements
There are a variety of scholarships and funding opportunities available to help support you financially throughout your studies. Scholarships are assessed based on competitive merit, and are awarded to the very best applicants. Scholarships normally provide support for three years for PhD and Professional Doctorates, and two years for Masters by Research candidates.

Scholarships will normally have specific opening and closing dates – make sure you read the criteria and application requirements.

If you are applying for a scholarship, you should indicate this when you apply for your research degree. Our online application system will ask for this information.

For more details about scholarship opportunities visit:
unisa.edu.au/resdegrees

The University of South Australia has internationally renowned research supervisors who provide expert supervision across an impressive range of research interests. Many students come to the University to work with specific researchers and learn directly from their expertise and experience.

There are several possible ways of finding a supervisor. For example they could be a UniSA academic you’ve worked with in the past, or whose research you’ve read.

Tips on finding a supervisor can be found on the research degrees website:
unisa.edu.au/find-a-supervisor

You should prepare these things before you commence your online application:

- Organise two referee reports. Find out more at: unisa.edu.au/research-degree-referee-reports
- Transcripts and parchments of undergraduate, honours and postgraduate courses undertaken;
- Certification of English language proficiency;
- Passport details or evidence of citizenship;
- Outline of your proposed research;
- Current CV;
- Evidence of publications.

You will also need to know which course code to apply for. See pages 74-76 for options, or please send an email to the relevant address if unsure.

For more information please visit:
unisa.edu.au/resdegrees

You are now ready to apply.

Apply for entry into your program at:
unisa.edu.au/applyonline
