BEHAVIOUR-BRAIN-BODY RESEARCH CENTRE
This new research centre brings together expertise in sleep, nutrition and physical activity, and their combined impact on chronic illness. Behavioural risk factors such as inadequate sleep, poor diet and lack of exercise are significant contributors to unhealthy lifestyles. Based at Magill Campus, our researchers are focused on understanding how these key areas can be used as predictors of fetal health, resilient school learners, metabolic disease in shift workers, impairment in high performance environments, cognitive functioning through cancer treatment and early indicators of dementia risk.

SOCIAL WORK STUDIOS / Designed to simulate a professional environment, the studios are used to practice real life counselling scenarios and are equipped with the latest video recording equipment and one-way mirrors so students can observe in an adjacent classroom and provide peer feedback.

CAMPUS SPACES
NEW SPACES

CENTRE FOR COGNITIVE AND SYSTEMS NEUROSCIENCE / A research centre based at Magill campus focusing on the neurobiological understanding of human cognition across the lifespan, the complexities of language and the broader areas of cognitive neuroscience.

PSYCHOLOGY CLINIC / Providing high-quality, affordable psychological services to the general community and an advanced learning environment for postgraduate students working under the supervision of fully-qualified clinical psychologists.

UNIVERSITY OF SOUTH AUSTRALIA CANCER RESEARCH INSTITUTE / Located in SA’s health and biomedical precinct in the Adelaide CBD, this $247 million building is the new leading destination for health research and teaching.

PRIDHAM HALL / A 550 million space that has transformed our campus blueprint in the city’s west end; featuring a sports centre, lap pool, gym, dance/aerobics studio, function rooms, and facilities to seat 1800 students and their families for graduation ceremonies.

MOD. / This futuristic museum of discovery offers immersive experiences to the public through dynamic and changing exhibition programs across seven dedicated gallery spaces.

Studying psychology was always the goal for Francesco, with UniSA as his preferred study destination.

“I wanted to study psychology all throughout my high school years. I knew that I needed to put in the hard work and effort early on.

“UniSA lets your voice be heard and every staff member goes above and beyond. I have always felt supported.”

Francesco is completing his honours degree and wants to continue with postgraduate study in clinical psychology with a long-term vision of setting up his own practice.

Sarah has a strong belief in social justice and helping those who are more vulnerable in our society.

“I wanted to study with people who had similar values to myself and most of all I wanted a challenge.

“UniSA has an array of passionate, committed, experienced and professional teaching staff whose support was invaluable throughout my studies. The courses prepare you for what the public and private sectors need today.”

After graduating, Sarah secured a position working in State Parliament.

“My primary role is to assist in the smooth running of the House of Assembly Chamber. I’ve had the opportunity to meet some really interesting people and sit in on some amazing debates.”

Minimum entry requirements for undergraduate bachelor and associate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- a competitive Selection Rank (ATAR), AND
- the fulfilment of the program’s prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:
- an interstate or overseas qualification considered by the University as equivalent to SACE; or
- the International Baccalaureate Diploma with a minimum score of 24 points.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) to Australian high school students applying for entry into university via the following schemes:
- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

Need some help? Visit unisa.edu.au/adjustmentfactors or contact Future Student Enquiries on (08) 8302 2376 or submit an enquiry via unisa.edu.au/enquire

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed.

ADMISSIONS PATHWAYS
Entering your chosen program straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following pathways.

Higher Education Study – completion of at least half a year of full-time equivalent study, at UniSA or a recognised higher education institution. You can apply using your Grade Point Average (GPA).

Higher Education Diploma – completion of a higher education diploma, from the UniSA College (applicable programs listed on each bachelor program in this guide), the South Australian Institute of Business and Technology (SAIBT), or another recognised higher education institution.

Special Entry – a competitive Special Tertiary Admissions Test (STAT) score. A personal competencies statement or employment experience may also be considered for some programs.

Vocational Education Training (VET) – applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or above.

UniSA College – there are a variety of pathway options offered through UniSA College including diplomas and the Foundation Studies program.

Alternative Pathways – there are a range of alternative pathways including bridging qualifications offered through SAIBT and Eynesbury.

Open Universities Australia – completion of at least four Open Universities Australia (OUA) Courses at an undergraduate level or higher.
