**Term 4 2014 Swim School** commences on Monday October 13th 2014 and runs for 9 weeks concluding 13th December 2014.

30 minute classes are scheduled;
- 4:00pm to 6:00pm Monday to Friday
- 9:00am to 11:00am Saturday morning

Saturday classes will only be running for 8 weeks due to the Christmas Pageant, we will not be running classes on November 8th.

**Term 1 2015 Swim School** commences on Tuesday January 27th 2015 and runs for 10 weeks concluding 2nd April 2015.

30 minute classes are scheduled;
- 4:00pm to 6:00pm Monday to Friday
- 9:00am to 11:00am Saturday morning

All classes are dependent on minimum enrolment numbers.

**Please note something new:** We are starting a Stroke Development 1 & 2 class this term.

**Stroke Development 1** - for students just graduated from Balance and Bubbles
Time: 4pm class and 5pm class

**Stroke Development 2** - for students that have the ability to swim into the deeper water unaided
Time: 4.30pm class & 5.30pm class.

**Make up lessons:** Make up lessons will no longer be offered during the term.
Make up lesson dates for term 4 : December - Tuesday 16th and Thursday 18th 2014.
Make up lessons in term 1 2015: April - Tuesday 7th and Thursday 9th.
All unused lessons will be forfeited at the end of each term.

**Save the Date:** Friday April 10th 2015 UniSA will host an end of year carnival for all swim school participants. We look forward to celebrating the children’s achievements with their families on that day.

**Special Needs** – students with special needs are also catered to by our very experienced instructor Maurice Phillips. Please contact Maurice on 0411 095 253 for bookings.

Our Swim School offers classes catering to most swimming abilities from the age of 5. Enrolments are now open for the following classes/levels:

[1] Balance & Bubbles:

In this introductory class, children are familiarised with being in the water by engaging in a series of safe activities and exercises designed to establish their water confidence in water that is 1 meter deep. They learn the basics of locomotion in the water as well as how to submerge and retrieve objects from underwater. Kick boards and noodles are often used in this level for floatation support however no personal floatation devices (floaties) are allowed to be worn during the lesson.

Duration: 30 minutes
Class capacity: 4 pupils only
Pre-requisites: the children need to be able to follow simple directions from the instructor, for the sake of all children’s safety as well as equal teaching distribution.

[2] Stroke Development 1:

In this class, children are encouraged to develop their skills while building confidence to venture to the deeper end of the pool. You should see your child/ren progress into approximately 1.5m depth of water working towards the 2m water depth.

Duration: 30 minutes
Class capacity: 4 pupils only
Pre-requisites: sufficient water confidence, ability to travel unassisted for 7.5 metres with a buoyant aid (i.e.: kick board OR noodle) without touching the ground for support, ability to listen to and learn from the instructor.

[2] Stroke Development 2:

In this elementary class, children are encouraged to develop their skills and understanding of all strokes (excluding Butterfly), as well as better water confidence due to having progressed into approximately 1.5m depth of water working towards the 2m water depth.

Duration: 30 minutes
Class capacity: 4 pupils only
Pre-requisites: sufficient water confidence, ability to travel unassisted for 7.5 metres with a buoyant aid (i.e.: kick board OR noodle) without touching the ground for support, ability to listen to and learn from the instructor.

[3] Deep Water:

In this advanced class, children’s stroke techniques are further refined as their water confidence grows to a high level. They learn to dive off the blocks or the side of the pool and they also learn the basic survival skills & water safety. Children are also briefly introduced to the basics of the Butterfly stroke in this level.

Duration: 30 minutes
Class capacity: 5 pupils only
Pre-requisites: sufficient water confidence, ability to travel unassisted for 15 metres without a buoyant aid (i.e.: kick board, noodle) using all strokes (excluding Butterfly) without stopping, ability to listen to and learn from the instructor, ability to submerge 2 metres.

Our Swim School also offers 2 squad options for your child; Junior Squad or the Performance Squad both of which run from 6:00pm to 7:00pm Tuesday - Thursday.
SQUADS:

1 hour Squad lessons are being run Monday, Wednesday and Friday from 6pm – 7pm.

[1] Junior Squad:

In this Squad, children have the opportunity to participate in lap swimming training as they are further encouraged to refine their swimming technique, boost their confidence and fitness levels, as well as set achievable goals. This squad offers a motivating training environment where children train together in a bigger group. They learn competition starts (dives) off the blocks as well as tumble turns at this level.

**Duration:** 60 minutes  
**Class capacity:** 12 pupils only (per lane)  
**Pre-requisites:** solid water confidence, ability to swim efficiently and unassisted for 25 metres without a buoyant aid (i.e.: kick board, noodle) using all strokes, ability to listen to and learn from the squad coach.  
**Own training gear:** short-bladed training fins, drink bottle, goggles, cap (all available from the front desk swim shop).  

* Swimmers are recommended to wear normal training bathers. Board-shorts, rash vests or any other surf/beach wear is not suitable for lap swimming.

[2] Performance Squad:

In this Squad, children engage in a performance training programme which builds their fitness as well as speed. Those who want to train for school swimming carnivals, local swimming club time-trials or come ‘n’ try events as well as junior state competitions are encouraged to enrol.

Swimmers will be selected based on their level of skill, speed, perseverance and overall attitude towards their training.

**Duration:** 60 minutes  
**Class capacity:** 8 pupils only (per lane)  
**Pre-requisites:** squad coach approval & high level of determination to set and achieve goals.  
**Own training gear:** short-bladed training fins, drink bottle, goggles, cap (all available from the front desk swim shop).  

* Swimmers are recommended to wear normal training bathers. Board-shorts, rash vests or any other surf/beach wear is not suitable for lap swimming.
Please read the following details below, including our terms and conditions:

- As you may be aware we are one of the very few swim schools around that run a 4 student class. So with this in mind we have had to make some tough decisions around class numbers. If the class only has 2 students booked into it we can’t run it, we will have to find another time slot or class to fill. This issue mainly effects the later time slots so please book your spot quickly.

- There will no longer be places set aside for casual bookings. Casual lessons are allocated on the day by phoning the centre prior to the start of lessons to see if there are any spots available.

- We will not be holding our Saturday morning classes on November 8th due to this being Christmas Pageant morning.

- Please be aware all make up lessons must be redeemed before the end of the current term. Lessons not redeemed will be forfeited unless approved by the co-ordinator. We are running make up lessons in the first week of the school holidays term 4 and the last week of school term 1 to cater for make up lessons.

- In the event of bad weather (rain, wind, cold) which does not force the pool to close, classes will not be cancelled and therefore makeup lessons will not be available if your child is absent.

- If the pool is forced to close due to public safety concerns, for example in the case of a thunderstorm, classes will be cancelled and make up lessons will be offered to you during the extension week (extra week after the end of term).

- 1 hour one on one private lessons are available for the low cost of $40.00 per lesson. Bookings are essential.
3 TIER SWIM SCHOOL ENROLLMENT OPTIONS:

Balance & Bubbles (beginners) | Stroke Development (junior) | Deep Water (intermediate)

CASUAL Prices:

$20 per lesson per child.
NOTE: Casual attendance can only be booked on the day of admission and is subject to availability.
