

*Salford Wines  
of Distinction*

Unmistakably Adelaide Hills

**Salford**

# *Salford Wines*

## *Company Background*

In 2004, Salford Wines was established by three growers, all of whom have properties in the Gumeracha region. The objective was to produce premium quality wines from the high quality grapes grown at their properties. This was an extension of their current business, which was to sell their premium quality grapes to internationally renowned companies, who in turn produced high quality wine for local and international markets.

Since establishing the business in 2004, Salford Wines have won several awards for high quality handcrafted wines. The company continues to grow its market with the discerning wine buyer.

Everyone who works at Salford values quality, unique exceptional products that leave lasting impressions and long term open business relationships.

## *Wine region*

Gumeracha is located in the Adelaide Hills, which is the backdrop for the City of Adelaide. The growing region is a cool, high altitude climate ideal for growing intense but delicately layered wines, with texture, balance and finesse.

Whites are delightfully crisp and refreshing and the reds are rich, but not heavy with a sumptuous distinctive combination of flavours.

## *Winemaker*

Salford's winemaker has been crafting top quality wines for nearly 30 years. Over this period he has worked as head winemaker for several small and large wineries, with his wines winning many awards for their unique, distinctive combination of flavours.

This tradition of premium wines of distinction continues with Salford winning nine medals in less than four years.

## *Our wines*

### ① *Cabernet Sauvignon*

Layer upon layer of rich, dark berry fruits supported by superb oak integration. A sumptuous combination of texture, balance and finesse. Enjoy now and over the coming years.

### ④ *Chardonnay*

Attractive melon fruit intermingled with a touch of spice and citrus. Perfect harmony with finesse.

### ② *Merlot*

A wonderfully textured wine of fine-grain tannins and intense red berry and black plum fruit flavours. Absolutely delicious!

### ⑤ *Riesling*

Fragrant early morning lavender and apple blossom aromas. Green lime overtones with fine crisp palate pleasing pear, grapefruit and a persistent zesty citrus finish.

### ③ *Unwooded Chardonnay*

A fine, delicate Chardonnay with intense grapefruit and pear notes. Beautifully crisp and refreshing.

### ⑥ *Sauvignon Blanc*

Attractive aromas of green bean, pineapple and mango with just a hint of gooseberry. The palate has an addictive lime and passionfruit offering with elegant white pear overtones.
