

## CAHE’s Guideline Reference Guide: Chronic Low Back Pain

Guideline elements	European guidelines group <a href="#">European guidelines for the management of chronic non-specific low back pain*</a>
Year of issue/ revision	2006
History	5
Causes for back pain	31
Yellow flags	34
Red flags	34
<b>Diagnosis</b>	
Physical examination	5, 11, 36
Lasegue (passive straight leg raise) test	5, 36
Spinal palpation and motion test	37
Imaging	5, 12, 38
Electromyography	12, 44
Plain radiography	39
Computed tomography (CT)	39
Magnetic resonance imaging (MRI)	39
Bone scan (SPECT)	40
Adverse effects and radiation	42
<b>Prognosis</b>	5, 11, 12, 13, 34, 52
<b>Conservative Treatment</b>	
Physical treatment	13, 57
Interferential therapy	13, 57
Electrical stimulation	102
Laser therapy	13, 59, 81
Lumbar supports/ corset	14, 62, 103
Short wave diathermy	14, 64
Therapeutic ultrasound	14, 66

Guideline elements	European guidelines group <a href="#">European guidelines for the management of chronic non-specific low back pain*</a>
Thermotherapy	14, 68
Traction	15, 70
Transcutaneous electrical nerve stimulation	15, 73
Exercise therapy	15, 76, 95
Passive treatment	79
GP care	79, 80, 94
Physiotherapy treatments	80
Muscle reconditioning exercises	81
Strengthening exercises	81
Aerobic exercises	82
Flexion exercises	82
Extension exercises	82
Stretching exercises	82
Exercise class and structure	83
Number of sessions	83
Individual ised exercises	83
Motivation	84
Exercise and Outcomes	84
Safety	84, 95, 103
Manual therapy	16, 92
Manipulation or Mobilisation	92, 102
Massage	16, 101
Back school	17, 81, 95, 106
Posture	102
Relaxation	102
Educational interventions/ Self care	17, 101, 112
Cognitive behavioural treatment methods	18, 81, 115, 117
Multidisciplinary treatment	19, 81, 123
Internet based intervention	111
Return to work	113

Guideline elements	European guidelines group <a href="#">European guidelines for the management of chronic non-specific low back pain*</a>
<b>Pharmacological treatment</b>	
Antidepressants	19, 131
Muscle relaxants	19, 135
Benzodiazepine	135
NSAIDs	20, 138
Opioids	20, 141
Antiepileptic drugs (Gabapentin)	20, 145
Capsicum pain plasters	20, 147
<b>Invasive treatment</b>	
Acupuncture	21, 102, 147
Injection and nerve blocks	21, 158
Epidural corticosteroids and spinal nerve root blocks with steroids	21, 161
Facet injections	21, 164
Intradiscal injections	22, 167
Intramuscular injections of botulinum toxin	22, 169
Sacroiliac joint injections	22, 171
Scleroscent injections (prolotherapy)	22, 173
Trigger point injections	22, 175
Neuroreflexotherapy	23, 178
Percutaneous electrical nerve stimulation (PENS)	23, 181
Radiofrequency and electrothermal denervation procedures	23, 184
Intradiscal radiofrequency thermocoagulation (IRFT)	24, 188
Intradiscal electrothermal therapy (IDET)	24, 188
Radiofrequency (RF) lesioning of dorsal root ganglion	24, 192
Spinal cord stimulation	24, 193
Surgery	24, 195
Fusion surgery	117
