Dear Dr Cutler,

University of South Australia Submission to the Review of the National Innovation System

The University of South Australia is pleased to provide a submission to the Government's Review of the National Innovation System.

This submission provides input to the Review within four main areas:

- Global Research and Innovation Performance
- Knowledge Transfer/Engagement/Translation/Adoption
- Innovative Industries, Business, Government
- A Skilled Workforce

The University of South Australia looks forward to further engagement with the Expert Panel as part of the Review process and to the release of the Green Paper in July 2008.

Please do not hesitate to contact me if you require any further information about the content of this submission.

Yours sincerely,

Professor Peter Høj
Vice Chancellor and President
