

## FREE SEMINAR

# CHILDREN AND PARENTAL SUBSTANCE MISUSE

The Family Alcohol and Drugs Network (SA) presents this seminar for all those working with **families** negatively impacted by parental substance misuse.

Speakers:

Professor Dorothy Scott (Director, Australian Centre for Child Protection, University of South Australia), Dr Terry Donald (Head, Child Protection Services, CYWHS), Eddie Fenbow, Harald Bodein and Jane Haley as well as representatives from Stronger Families Safer Babies and the Point of Engagement Programs.

What can attendees expect from the workshop?

- Information on how to address the needs of traumatised children
- Information regarding models of intervention for parents who misuse substances
- Opportunities to discuss obstacles and success stories from your work
- Examples of "Promising Practice"

Tables will be available to display material  
Please bring along information to share  
about your service/ program
