

Program specific information sessions will be conducted as full-day workshops on the dates specified and all first year students are expected to attend. Content of the workshops will include program and course information, hands-on instruction on using the University's computer network, and library database usage.

*It is also expected that all first year students will attend the **ACADEMIC WRITING WORKSHOP** on the Friday morning of the second teaching week to gain knowledge on the requirements for researching and preparing assignments.*

*An **INTRODUCTION TO COMPUTERS** session will be provided for first time users to gain experience and basic knowledge prior to commencing studies. If you would like to attend this session please register at Campus Central, telephone 8647 6161.*
