You can export your enrolments to your Outlook Calendar via the Student Portal by clicking on the link at the bottom right hand corner of the page.

It is important to note that if you drop any enrolments, they will not be removed you're your Outlook Calendar. You will need to manually remove them. However, if you add additional enrolments, clicking this link will allow you to export them to your Outlook Calendar.

The link below will allow you to export your enrolments to your Outlook Calendar via the Student Portal.

IMPORTANT! Once you have exported your timetable to Outlook any changes you make in myEnrolment will not be reflected in your Outlook Calendar and will need to be manually updated. Your timetable in myEnrolment will always accurately reflect your current enrolments.

[Add Classes To Outlook Calendar via Student Portal](#)

To return to the my Timetable homepage, select **View as Timetable**.

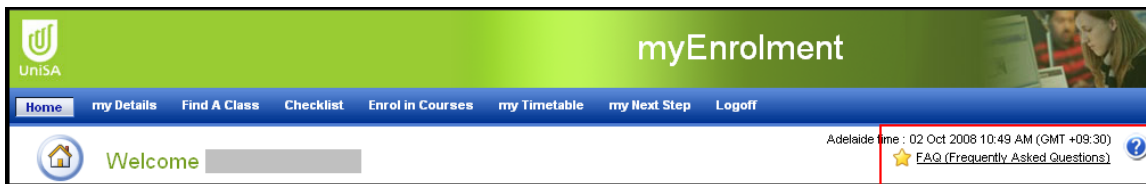

Help Functions

You will notice a blue question mark next to various terms throughout myEnrolment. Clicking this icon will open a new window with enrolment related terminology to explain what that term means.

You can access the list of terminology at any time by selecting the question mark icon from the top right hand corner of myEnrolment.

The FAQ (Frequently Asked Questions) link, on the top right hand corner of myEnrolment, will open a new window displaying a list of frequently asked enrolment related questions and answers.
