

Master of Physiotherapy (Graduate Entry)

University of South Australia

RANKING PROCESS

Selection Process:

Selection for admission to the Master of Physiotherapy (Graduate Entry) is a two phase process.

- Initially, all applicants must have a bachelor degree or higher;
 - And have a GPA of greater than or equal to 5.00.
 - And have completed and passed all of the prerequisites.
- If there are more applicants than places available, then:
 - The individual grades of the pre-requisites will be assigned a rank
 - This sub-rank will then be used as the basis for offers.

Principles:

- The minimum entry criteria for the master of Physiotherapy (Graduate Entry) are:
 - Bachelor degree or equivalent
 - GPA \geq 5.00 (Credit average) in the Bachelor degree
- All applicants must hold an appropriate degree from a tertiary institution and be able to provide evidence of completing a program of study at a tertiary level.
- Performance in individual specific courses – evidence must be acceptable to criteria and then applicant to be ranked according to academic achievement.

International Applicants:

In addition to the academic prerequisites, international applicants must have an IELTS (or equivalent) score of 7

Where the nominated degree did not include prerequisite courses additional courses may be accepted to meet the essential criteria. For example, where the anatomy component has not been met within the nominated degree, completion of an acceptable anatomy course at the required academic level as a stand-alone course may be accepted. The nominated degree and all prerequisite courses must have been completed within the last 10 years.
