First Year IBHU Students

STREAMS - Health and Physical Education & Science Education

Instructions

- Both streams – Health and Physical Education / Science Education – are not differentiated in first year. Please enrol into all core courses as listed below.
- First make sure you have selected the correct Study Period you need to enrol into.
- The Enrolment Class Number is the number you need to start your enrolment with.
- Most courses are set up with Auto enrolment classes which means you do not need to select them during the enrolment process. They will automatically appear on your final schedule.
- Some of the courses have options for you to choose from which must be selected by you.
- If you are not sure which class would best fit your schedule please go to the links for the course in the table below. These will get you to the course home page and you will then need to click onto the class timetable to view the course schedule.
