

We are committed to ensuring that our MBA Alumni have every opportunity to enjoy lifelong learning.

- ▶ Master Class up-date sessions will be conducted by some of our MBA teaching staff several times each year.
- ▶ These will be backed up by periodic business functions focusing on the developments in specific South Australian industries. These sessions will be delivered in such a way as to provide our Alumni with networking opportunities.
- ▶ MBA Alumni will also have the opportunity to participate in social activities and functions designed to rekindle and maintain friendships.

Social Activities

Graduation Welcome—March

On the evening prior to the MBA Graduation, this cocktail party allows existing MBA Alumni to meet tomorrow's graduates and welcome them to the MBA Alumni. This function will be held in the Bradley Forum of the Hawke Building on City West Campus from 5pm to 7pm

Taste of China—June

Hosted by our own Professor Alfred Huang, this Taste of China evening function will introduce several of the best Chinese chefs in Adelaide, explaining all about ingredients, cooking styles and providing a chance to taste some of their culinary delights.

2009 Vintage Tasting—October

Whatever the 2009 vintage may bring, you'll be amongst the first to know about it, as we are introduced by a panel of winemakers from the Clare Valley, McLaren Vale, Adelaide Hills and Langhorne Creek, to share the story of the 2009 vintage, and let you taste some

pre-release wines. This function will take place at Wine Underground.

Networking Activities

The Future of Football (Thursday 12 February, 5pm to 7pm)

Two of our prominent MBA Alumni will lead a lively discussion on the future of AFL Football in Australia. Join Steven Trigg (CEO of the Adelaide Crows), and Darren Chandler (CEO of Glenelg Football Club) as they share views on our great game. It's a 45 minute panel discussion followed by a relaxed cocktail party for another hour.

Local Govt. & Sustainable Business (Wed 6 May, 5pm to 7pm)

Our own MBA Alumni Kym Good (CEO of the Adelaide & Mt Lofty Ranges Natural Resource Management Board) hosts a lively panel discussion on the role of Local Government in leading sustainable business initiatives. The Panel includes Local Government CEOs Mark Withers (Charles Sturt) and Jeff Tate (Onkaparinga), who afterwards join us for a relaxed cocktail party and networking.

Where is technology taking us (Thu 13 August, 5pm to 7pm)

One of our MBA course award sponsors, David Fergusson (CEO of IBM in South Australia), hosts us for a glimpse into the future of technology. David's hand picked panel of industry visionaries will share their views on future trends and likely impacts of technology on businesses large and small. Once again, plenty of time for networking over drinks at the end of this session.
