

# **INSTRUCTIONS FOR SUPPLEMENTARY ASSESSMENT**

## **Terrain Information Systems**

You will be provided with the Terrain Information Systems Exam that you were originally assessed with in year 2000.

The exam is to be completed as if it were an assignment. Short answer "exam" type answers will not be acceptable.

To be submitted

A word processed/typed assignment based on the questions in the exam

- Use diagrams, figures and references where appropriate to answer the questions
- Reference lists will be required
- There is no word limit. Write as much as necessary to answer the questions

The assignment is to be handed up by 5:00pm the next day in the Terrain Information Systems pigeon hole.

**NO EXCEPTIONS**
