ATTENTION MSc, MA or PhD GRADUATES

PUBLICATION OF YOUR THESIS ABSTRACT IN THE JOURNAL OF THE ROYAL SOCIETY OF NEW SOUTH WALES

This Journal publishes original articles and reviews on general scientific topics as well as providing an Australian forum for international exposure of local work, e.g., geology, astronomy, medicine, chemistry, mathematics and other disciplines. It is sent to approximately 500 overseas academic and scientific organisations on a regular basis. The Journal is published twice a year.

The Royal Society of New South Wales wishes to provide a medium for the wider dissemination of the work performed at the MSc/MA and PhD levels. Therefore, the Council of the Society is willing to publish abstracts (maximum 500 words) of MSc, MA, and PhD theses on application by the author or supervisor. Copies of Abstracts published in the Journal will be placed on the Society's web site.

Please forward a copy of the University certified letter notifying the award of the degree, or other official evidence that the requirements for the award of the degree have been satisfied if you desire publication of the abstract of your thesis. Please note that Masters by Course Work is not acceptable.

One hard copy of the abstract should be mailed together with the copy of your award notification to the above address. Please provide contact details – in particular an email address so that you can be contacted regarding editorial matters and typesetting.

To facilitate typesetting, an electronic copy should also be forwarded to:

info@nsw.royalsoc.org.au

marked for attention of the Hon Secretary (Editorial)

Please note that the publication of your Abstract is subject to acceptance by the Journal Committee. Any enquiries should be directed to the Honorary Secretary (Editorial).
