Credit Transfer Register

The Credit Transfer Register provides information on formal credit transfer arrangements that have been agreed between UniSA and other registered providers in Australia, as well as in other countries. You may find that the academic program or courses you have studied are not listed in the Credit Transfer Register. However this does not mean that credit is not available. For more assistance on whether credit is available to you, please contact your Program Director. The register can be found at : <https://www.applications.unisa.edu.au/Public/CreditAssessor>

Recognition of Prior Learning (RPL)

Prior learning of skills outside of registered providers can be applied for through RPL. For example, work experience in a relevant field may be granted as credit for certain courses. Please check with your Program Director for instructions to apply for this type of credit. Some programs will have very specific requirements to apply for credit and your Program Director will be able to assist you with this. If there are no specialised requirements for your program, then this form can be used lodge the request for credit.

Internal Credit

If you have studied courses at UniSA under another program and now wish for those to count towards your new program, there are two processes:

1. If the course you studied has the same Area and Catalogue Number as the course you want credit for, you do not have to apply for credit as it will automatically count towards your new degree OR
2. If the courses are different, please fill out a course substitution form, which is available at: <http://www.unisa.edu.au/student/forms/default.asp>

Policy

The *Recognition of prior learning for credit, exemption and studies-in-lieu* policy covers all credit applications. The policy can be viewed at: <http://www.unisa.edu.au/policies/policies/academic/A13.asp>

LODGING YOUR APPLICATION

Documentary evidence to support your claims for credit must be provided, this should include

1. a certified copy of your academic records, and
2. syllabuses or other documents showing the scope and content of the work completed

Please check myUniSA within 7 days to confirm processing.
