*Fees listed are valid for students enrolled in the 2018 academic year only. Students enrolled in a new program should be aware that annual tuition fees will be subject to an increase for each year of study at the University of South Australia. You will be liable for these fees upon acceptance of an offer from the University of South Australia. In the event of a variation between the fees listed here and the approved university schedule of tuition fees found at programs.unisa.edu.au, the approved university schedule will prevail. The University reserves the right to alter, amend or delete any program, fee or admission requirement without prior notice.

How CAN I APPLY?

AUSTRALIAN YEAR 12 PROGRAMS

You will need to apply through SATAC using UniWeb (satac.edu.au/undergraduate). Main round applications open in August and close in early December, however you may still apply through SATAC until early January as there are further offer rounds in January. As an international student you can apply for up to six degree programs and if eligible, receive an offer from SATAC in the main offer round, which will be in December shortly after Year 12 results are released. Although you receive your offer from SATAC, you will need to accept and respond directly to the University as soon as possible.
