THE  
SASA GALLERY  
PRESENTS

## FROM THERE TO HERE

*From There to Here* will seek to generate a discussion on the relevance of womens contribution and the role of feminism and artists as image producers within the contemporary context of visual art. This exhibition will bring together the work of five committed artists who have been heavily involved in visual arts and sharing information for over 40 years.

Image: Ann Newmarch, *Women hold up half the sky*, 1978.  
Screen print 91 x 65 cm
