

Make the most of your rural placement

1. Download the app 2. Do the checklist 3. Complete the plan

Our Regions Guide is your compass, leading you to the best local attractions and essential services.

Checklist

I have reviewed the sections in the app

How we can help

Emergency advice

Preparing for your rural placement

Wellbeing

Thriving on rural placements

Region area guide

Communication and social media

Country driving

My Plan

What are the top three things you aim to explore and experience during your placement?

1.

2.

3.

Be sure to download the [Great Rural Experience Form](#), where you can apply for a \$200 grant to help you achieve your exploration and experience goals during your placement.
