### What former Participants say about the Program:

“Going on an international exchange at the WHU — Otto Beisheim School of Management was one of the best decisions that I have made in my academic life, and I cannot think of any other way that I could have best capped off my first year in business school than through taking part in WHU's European Summer Program. The entire experience was invaluable, and what stood out for me was the quality of course content and instruction at WHU— the university undoubtedly lived up to its rankings and even surpassed my expectations.”
