#### **TERTIARY TRANSFER**

If your Year 12 results were lower than expected, there other options available that could help you gain entry into your preferred UniSA degree.

- Start a different degree then use a competitive Grade Point Average (GPA) to apply to transfer into your first preference. You can do this after completing four courses, which is typically one full-time study period (at UniSA or another recognised institution).
- Start a diploma pathway through UniSA College and use this program as an alternative entry option.

Explore your pathway options further at unisa.edu.au/pathways

#### Use your Selection Rank (ATAR) — Year 12.....

**HIGH SCHOOL** 

Complete Year 12 and apply using your Selection Rank (ATAR). You may also be eligible for adjustment factors (bonus points) and/or quaranteed entry.

#### Or take a UniSA pathway.....

**UniSA COLLEGE** 

Complete the one-year **Foundation Studies** program, then apply to enter first year of a UniSA degree.

Complete a two-year **diploma**, then enter second year of a UniSA degree.

#### Or take an alternative pathway.....

**VET** 

Apply using a **certificate IV, diploma** or **advanced diploma** from TAFE or another RTO. You may also receive credit for your study or be eligible for guaranteed entry.

SOUTH AUSTRALIAN INSTITUTE OF BUSINESS AND TECHNOLOGY (SAIBT) DIPLOMA

Complete a **diploma** through SAIBT. Then enter second year of a related degree. A minimum Grade Point Average (GPA) is required.

SPECIAL TERTIARY ADMISSIONS TEST (STAT)

If you are over 18 and haven't completed more than two years of full-time tertiary study with university enrolment in the last two years, you can sit the STAT for entry into UniSA programs.

HIGHER EDUCATION STUDY

If you have completed at least half a year of full-time equivalent study (at either UniSA or another recognised institution) you can apply using your GPA.

Complete four courses at an appropriate level through Open Universities Australia (OUA), then apply to UniSA based on your GPA.
