DISCOVER MOUNT GAMBIER

Study on the picturesque Limestone Coast in South Australia's largest regional city. Established in 2005, UniSA's Mount Gambier Campus is a major tertiary education centre for the state's south east and surrounding areas including south west Victoria.

Experience flexible learning and quality teaching, with the benefit of a relaxed lifestyle, lower living costs, practical learning opportunities, small class sizes, tailored support services and strong a community connection.

We offer degrees in key areas such as education, nursing, midwifery and social work, reflecting the needs and priorities of the region. This campus is also a creative hub for students interested in studying music. UniSA has teamed up with the James Morrison Academy of Music to deliver unique programs focused solely on jazz.

GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. Take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of online and on-campus learning.

The Mount Gambier Campus is also home to one of the nation's fastest network systems, ensuring that students are well connected and have access to the best internet resources during their studies.

FLEXIBLE STUDY

Benefit from flexible learning including online, part-time, blended and accelerated study. Tailor your degree so that you have time to travel, work and study from any location. We offer flexible degrees, online courses within your degree and 100% online degrees through UniSA Online (see page 15). Students studying online can access all campus facilities in Mount Gambier including computer pools and student support services.

FACILITIES AND SPACES

We have invested heavily in our campus facilities to provide purpose-built study spaces for our students. The Mount Gambier Campus features state-of-the-art facilities including the \$12.5 million Learning Centre, which has simulated learning environments for nursing and midwifery students, social work studios, a technology-driven gallery space, cutting edge IT infrastructure and a range of tutorial, social and informal learning spaces. The campus is also open seven days a week for student access.

STUDENT EXPERIENCE

It is important that you feel supported during your studies. Students have access to a full-range of services including study support, personal counselling, disability services and career services. Our Campus Central teams are located on-site and can point you in the right direction. We also have tailored services for Aboriginal and Torres Strait Islander students including study assistance and mentoring opportunities.

Connect with our social media platforms to stay up-to-date with what's happening on campus including workshops, events and the latest university news.

For 23 years, Lisa was running all of the administrative duties for her family business and raising three children. She decided it was time to do something for herself and go back to study.

"I jumped at the opportunity because UniSA offered Foundation Studies and provided me with an alternative pathway to entering my chosen program.

"The social work values of respect for persons, social justice and professional integrity are values that are equivalent to mine, and the social work program prepares you for professional practice.

"The highlight of my uni life is the knowledge I acquired, friendships I have made and the opportunity I have to put it all into practice."

Through her final placement, Lisa has secured a position as a Therapeutic Support Worker with ac.care.

“

High school graduate and
 Mount Gambier local, Meghan
 Lynch, decided to stay close to
 home and study an education
 degree with UniSA.

“Not only have I been able to
 challenge myself to complete
 this degree but I've been able
 to keep my job, stay near my
 support networks and build
 my life in the area in which I
 wanted to stay.

The best part about the
 education degree was
 completing placements within
 schools, where we could put
 our learning into practice.
 Practicum allowed us to find
 meaning and purpose in what
 we were being taught.”

Meghan is now working as
 a teacher at Tenison Woods
 College.

YOUR PATHWAYS

There are many ways regional students can gain entry into university. Whether you have no previous qualifications or you have already studied at a tertiary level through university, TAFE or another Registered Training Organisation (RTO), UniSA offers a range of alternative pathways into university study.

unisa.edu.au/pathways

UniSA COLLEGE

UniSA College offers educational programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, be taught by UniSA staff and have access to a full-range of support services. By successfully completing your UniSA College program, you will then be able to seamlessly transfer into an undergraduate degree at UniSA.

See page 9 for more information.

unisa.edu.au/college

SPECIAL TERTIARY ADMISSIONS TEST

If you do not have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to test your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry against other special entry applicants. To be eligible you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. UniSA also offers full-day workshops to help you prepare.

VET GRADUATES

A completed Certificate IV, diploma or advanced diploma from TAFE or another Registered Training Organisation (RTO) may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you are guaranteed an offer. If you are successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program.

ALTERNATIVE OPTIONS

- Linked SAIBT diploma
- Completion of courses through Open Universities Australia
- Tertiary transfer

STUDENT EXPERIENCE

SUPPORTING YOU

We are here to support you. We offer a full-range of personal, academic and social support services to help make your life at university easier.

Study support

We want you to succeed in your studies, so there are a variety of study support services available. You can access online learning resources, speak with a learning adviser, get peer-to-peer support, connect with a mentor, and even receive free after-hours online tutoring for help with writing, referencing, and more.

Personal counselling

All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your time at university. We partner with local providers so that you can get independent support and advice.

Disability services

Our extensive access and inclusion services span from facilities and access requirements through to developing an individual Disability Action Plan with a dedicated disability adviser for any student with a physical disability, mental health issue or medical condition.

unisa.edu.au/access-inclusion

Wurringka Student Services (WSS)

We have teams to support the specific needs of our Aboriginal and Torres Strait Islander students. Services include tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on-campus and online. We also have a Wurringka Aboriginal Student and Community Engagement Officer based on campus to provide tailored support.

Student accommodation

There are various accommodation options for students choosing to study in Mount Gambier including short-term stays and private rentals. We recommend using local resources to secure accommodation in the area. An information sheet on local accommodation providers is also available from your local Campus Central.

Scholarships

Over 2,500 students benefit each year from scholarships at UniSA. There are scholarships available specifically for regional and rural students, including assistance with relocation costs and grants to support studying and placements. Go online to check your eligibility through our scholarships search engine.

LIFE ON CAMPUS

Your time at university is not just about lectures, tutorials and assignments; there are many other activities to balance out your studies.

Campus culture

Tap into a wide range of social activities, clubs and volunteering opportunities. There is always something for you to get involved with such as Race Days, winery visits, lunches, movies, and so much more. The Central Piazza also provides a great shared space where you can socialise and relax.

Events and workshops

We host student events throughout the year kicking off with a Welcome Party in Orientation Week. Other campus events include celebrations for Multicultural Week and Reconciliation Week, student dinners at the end of each study period together with family days and other social events. There is also a series of academic workshops with visiting staff from Adelaide leading individual and group sessions focusing on areas such as career planning and library/research skills.

Global exposure

Add an international perspective to your studies through a student exchange, field trips, study tour, conference or short-term program at one of our partner institutions overseas.

UniSA Sport

Balance your studies by forming a team and becoming a part of local community sports. Get involved with sports such as mixed netball, volleyball or football.

USASA

Connect with the University's student association, USASA, providing unique services and a voice for all students. From student representation and advocacy to selling second-hand text books, organising social events and running the student magazine, USASA can help you get more out of your student experience.

IN THE COMMUNITY

We have a strong connection with the local community to help build a vibrant and thriving region.

ALL THAT JAZZ

The James Morrison Academy of Music @UniSA delivers unique music programs in Mount Gambier. Students can study a university qualification focused solely on jazz music and be taught by some of the finest jazz musicians and educators in the world, including the highly-acclaimed, James Morrison.

UniSA is also the proud Education Partner of the annual Generations in Jazz event, which attracts more than 5,000 of Australia's most talented musicians and a growing list of global artists. More than 350 ensembles including stage bands and choirs are showcased from around Australia with daily concerts celebrating jazz music and its remarkable sound.

FORESTRY RESEARCH HUB

UniSA has established a \$6 million forestry research and development hub on campus to support the South East's \$1.2 billion forest industry. The new National Institute for Forest Products Innovation Hub is a partnership between UniSA and the state and federal governments, and is focused on new research and solutions that can add value to industry and support economic growth in regional South Australia.

REGIONAL SPORTING ACADEMY

The Limestone Coast Regional Sporting Academy (LCRSA) has developed a new 12-month program for young local athletes with great sporting potential, focused on strength training, body conditioning and elite education. As a Foundation Partner, UniSA will deliver the educational courses to the athletes in key areas such as diet and nutrition, and sports psychology. The program is all about nurturing local talent, providing good education and removing hurdles to help young athletes reach their goals.

CHANGING LANDSCAPES

The Wattle Range Council and UniSA's Division of Information Technology, Engineering and the Environment have established a partnership that creates opportunities for student placements and joint research projects. The partnership will examine challenges relating to biomass, wind turbines, townscapes and coastal erosion, which will benefit the local council area and beyond.

REGIONAL HEALTH AND EDUCATION

Our nursing and teaching students benefit from applied learning through placement opportunities with local health and education partners. UniSA collaborates with the Mount Gambier Hospital and other hospitals in the region along with local schools and early childhood providers so that our students have access to real-work environments during their studies.

COMMUNITY SPONSORSHIPS

We sponsor local organisations and initiatives to support and celebrate the community. Key sponsorships include Pioneers Basketball, Western Border Football League, and Women in Business and Regional Development (WiBRD). We also sponsor local secondary schools award nights throughout the Limestone Coast and South West Victoria.

"The City of Mount Gambier continues to have a close working relationship with UniSA. We have common regional goals of improving access to tertiary education and providing opportunities for people who are not able to relocate to attend university. Keeping our young people in our city provides additional benefits for the individual and for our community."

Mark McShane
CEO, City of Mount Gambier

Pedal Prix

The UniSA Australian HPV Super Series is staged by Australian International Pedal Prix Inc. and is a competition where teams race Human Powered Vehicles (HPV's) on a closed circuit. Mount Gambier plays host for one of the events, which attracts hundreds of riders and spectators. UniSA as the naming rights sponsor, is focused on promoting education, the development of sustainable communities, healthy lifestyles, quality research and innovation.

RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree you might be based at City West, City East, Magill or Mawson Lakes.

Here are some useful tips to help you make a smooth transition.

BEFORE YOU ARRIVE

Explore your study options

Go online and find out more about the degrees we offer including entry requirements, what courses you will study, career outcomes and more.

AFTER YOU HAVE MADE THE MOVE

Access support services

From administration assistance to personal health and help with essay writing, UniSA has expert support services available to you throughout your studies. Check out resources available online or visit your local Campus Central.

unisa.edu.au/student-services

Have a travel plan

Take the time to map out how you will get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available at all campuses. A Campus Connector bus service also runs between the Magill and Mawson Lakes campuses.
