## DISCOVER WHYALLA

Study at South Australia's largest regional university campus. Situated on a 22-hectare site, UniSA's Whyalla Campus is the major centre of tertiary education for the northern and western regions of the state.

Experience flexible learning and quality teaching with the benefit of a relaxed environment, practical learning opportunities, small class sizes, tailored support services and strong community connections.

We offer degrees in key areas such as education, nursing and social work, along with alternative pathway programs, reflecting the needs and priorities of the region.

[unisa.edu.au/whyalla](https://unisa.edu.au/whyalla)

### GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. You can take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

### CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of on-campus and online learning. The Whyalla Campus is also home to one of the nation's fastest network systems, ensuring that students are well connected and have access to the best internet speeds.

### FLEXIBLE STUDY

Enjoy flexible learning through part-time, online and blended study options. This allows you to travel, work and study from any location. We offer:

- Flexible degrees with a combination of online/on-campus learning.
- The option to choose specific online subjects within your degree.
- 100% online degrees delivered by UniSA Online.

Students studying online can access all campus facilities, including computer pools, library resources and student support services. For more information see page 18.

### CAMPUS FACILITIES

We have invested heavily in our campus facilities to provide purpose-built learning spaces for our students. The Whyalla Campus features health laboratories, providing an optimised clinical training experience, along with simulated classrooms for education students to practise in-class activities. We have invested \$500,000 in new campus upgrades, including a Green Screen Recording Studio and fully-equipped Technology Suite. There is also on-campus computer pools, study desks, meeting spaces, recreation areas and accommodation facilities.

### STUDENT EXPERIENCE

It's important that you feel supported during your studies. Students have access to our on-campus Regional Engagement Support Officer in addition to a full-range of services, including study support, personal counselling, disability services and career services. Our Campus Central team is located on-site and can point you in the right direction. We also have tailored services for Aboriginal students, including study assistance and mentoring opportunities.

*"Graduates from the Whyalla Campus are securing jobs in our regional communities due to the excellent links we have with local industry and our practical approach to teaching and learning."*

“I have always enjoyed getting that ah-ha moment from students when they understand something new. I wanted to be the person to help others achieve these moments in their life and education.

I completed a placement each year during my degree, which was really beneficial because I learn best in a hands-on environment. I also attended a study tour in Singapore and was able to see different teaching and learning styles.

I loved the fact that I didn’t have to be on campus everyday if I didn’t want to be. I could do the majority of my studying from the comfort of my home and it allowed me to maintain a reasonable amount of working hours to support myself.”

# YOUR PATHWAYS

We offer a wide range of alternative pathways for regional students to gain entry into university.

## UniSA COLLEGE

UniSA College offers a variety of educational programs that can help you gain direct entry into a UniSA degree, including a range of diplomas, Foundation Studies and the Aboriginal Pathway Program. These pathway programs will prepare you for university by building your academic knowledge and skills. You will experience life as a UniSA student, be taught by UniSA staff and have access to a full-range of support services. By successfully completing your UniSA College program, you will then be able to seamlessly transfer into an undergraduate degree at UniSA. For more information see page 13.

## SPECIAL TERTIARY ADMISSIONS TEST

If you do not have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT — a two-hour test made up of 70 multiple choice questions designed to measure your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. We also offer full-day workshops to help you prepare.

## VET GRADUATES

A completed Certificate IV, diploma or advanced diploma from TAFE or another RTO may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you are guaranteed an offer. If you are successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program.

## MORE OPTIONS...

- » Completion of a linked SAIBT diploma.
- » Completion of courses through Open Universities Australia (OUA).
- » Completion of courses at another recognised university.

## ADJUSTMENT FACTORS

UniSA offers Adjustment Factors (bonus points) to high school students applying for entry. Additional points are based on set equity factors and/or subject choices.

[unisa.edu.au/adjustmentfactors](https://unisa.edu.au/adjustmentfactors)

## GUARANTEED ENTRY

UniSA offers guaranteed entry into many degrees. If your Selection Rank (ATAR) meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you are guaranteed an offer. Please note application timelines may apply.

# STUDENT EXPERIENCE

## SUPPORTING YOU

### Study support

We want you to achieve your best, so we offer a variety of study support services. You can access online learning resources, talk with a learning adviser, connect with a mentor, and receive free after-hours tutoring online. We also have a Regional Student Support officer on campus that can provide additional tailored support, along with our Study Help PALS. They are current UniSA students who provide friendly, informal support with assignment writing, referencing and building your overall study skills.

### Career services

We want to get you career ready, so you can access our career services from first year. Make the most of our online Career Hub with a wide range of self-help resources, including tips on resume writing and practising your interview skills. There are also professional job listings with some that are exclusive to UniSA students. You can also connect with a career adviser for help with career planning and attend industry events to build your professional networks.

[unisa.edu.au/careers](https://unisa.edu.au/careers)

### Personal counselling

All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your studies. We partner with local providers so that you can get independent support and advice when you need.

[unisa.edu.au/counselling](https://unisa.edu.au/counselling)

### Access and inclusion services

Our services range from facility and access requirements through to developing individual action plans for all students with a physical disability, mental health issue or medical condition.

[unisa.edu.au/access-inclusion](https://unisa.edu.au/access-inclusion)

### Wurringka student services

We have teams to support the specific needs of our Aboriginal students, including tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on-campus and online. We also have an engagement officer on-campus who can provide additional tailored support.

[unisa.edu.au/Wurringka](https://unisa.edu.au/Wurringka)

### SafeZone app

All UniSA students can download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency or if someone else needs first aid or general assistance. You can check-in when working alone or after hours, sharing your status with the UniSA security team. You can also receive notifications so you know what to do in an emergency situation.

## CAMPUS LIFE

### Campus culture

Make the most of your university experience by getting involved with a range of social activities, clubs and volunteering opportunities. Enjoy delicious food at our refurbished café on campus, chill out in the student lounge, study in collaborative computer pools, and make new friends along the way. If you are interested in building your leadership skills, we also offer unique scholarships that will give you the opportunity to develop new initiatives and events to enhance the overall student experience.

### Events and workshops

We host several events throughout the year starting with a Welcome Party as part of Orientation. Other events on the calendar include, celebrations for Multicultural Week and Reconciliation Week, on-campus family days and other off-site social events. There are also learning workshops hosted on campus through virtual classrooms to help with your studies.

### UniSA Sport

Meet new people and become part of a team by getting involved with sports like mixed netball or volleyball.

### Your student association

Connect with your student association – USASA. They provide advocacy services, organise social activities and coordinate various student clubs.

### Global exposure

Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.

# ACCOMMODATION

The Whyalla Campus features on-site accommodation at the Student Residential Village. Students have their own bedroom and share a bathroom with one other student. A fully-furnished kitchen and common living area means you can interact and study with your peers. Lecture and tutorial rooms are only a short walk away and the complex is monitored by on-going security. Off-street parking is available along with a lockable storage shed suitable for bicycles and other items. A BBQ area, volleyball court and basketball court complete the space and help to create a fun and balanced lifestyle. Applications are accepted for shorter and longer-term stays at a very affordable cost.

# IN THE COMMUNITY

## INNOVATION HUB

The Innovation & Collaboration Centre (ICC) in Adelaide has launched a regional incubator in Whyalla, opening doors for local business owners and entrepreneurs. The ICC provides support for early-stage business ideas and startups, including access to commercial knowledge, business advice, a co-working space, a network of expert advisers, and in some cases, a stipend to help entrepreneurs get started.

## HEALTHY FUTURES

Our Whyalla Campus is home to the UniSA Rural Health Clinic, offering podiatry and physiotherapy services to help meet local community needs. The public can access a range of health services, including biomechanic assessments, lower limb treatments, nail surgeries, and more. The initiative also supports placement opportunities, with students learning under the guidance of qualified professionals from the local Whyalla Hospital.

## BUSINESS GROWTH

UniSA has rolled out its unique Future Industries Accelerator (FIA) program in Whyalla, which encourages meaningful collaborations with industry. The program helps local businesses to build their research and development capacity to accelerate growth and create jobs. UniSA's world-class Centre for Business Growth has also been focusing on business development programs in the region, with initiatives designed to boost local skills in leading and managing growth in a global marketplace.

## COMMUNITY SPONSORSHIPS

We support a wide variety of local clubs and initiatives, celebrating the local community spirit, including:

- Whyalla Hockey Association
- Whyalla Football League
- Port Lincoln Football League
- Whyalla Chamber of Commerce
- Solstice Media Regional Showcase
- Science Alive
- Science and Engineering Challenge
- Whyalla Players
- Youth Opportunities
- Whyalla Tourism Advisory Group
- Edward John Eyre High School
- Samaritan College
- Whyalla Education Partnership
- High School's Academic Achievement Awards
- GFG Foundation

**"I was really nervous about moving to Whyalla, but I have made some amazing friendships through the student accommodation. There is always someone to talk to! The Whyalla Campus is so supportive and fantastic for student involvement. You never feel alone."**

**“Studying a 100% online has opened the door to many opportunities. I initially thought online study would be isolating, but I have been pleasantly surprised at the accessibility to staff who are on-campus and the easy navigation of the online learning platform. As someone who didn’t complete high school, I initially studied the Diploma in Business, which set me up for success.”**

## RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree, you might be based at City West, City East, Magill or Mawson Lakes. Here are some useful tips to help you make a smooth transition.

### BEFORE YOU ARRIVE

#### Explore your study options

Go online and find out more about the 200+ degrees we offer, including entry requirements, what subjects you will study, career outcomes, and more.

[unisa.edu.au/study](https://unisa.edu.au/study)

#### Check for scholarships

UniSA offers a wide range of scholarships, including the UniSA Rural Connect Scholarships, which help rural and regional students fund their relocation to study in Adelaide. Check out the online scholarships search engine to see what you may be eligible for.

[unisa.edu.au/scholarships](https://unisa.edu.au/scholarships)

#### Look into accommodation

There are a variety of student accommodation options available, including UniSA's Student Accommodation by Urbanest, offering modern apartments in the heart of the Adelaide CBD. It's important to start this process early, so visit our website and connect with one of our dedicated advisers.

[unisa.edu.au/accommodation](https://unisa.edu.au/accommodation)

### AFTER YOU ARRIVE

#### Access support services

We offer an extensive range of support services to help you succeed at university. From study support to personal counselling, we are here to help. Check out the resources available online or visit your local Campus Central team.

[unisa.edu.au/student-services](https://unisa.edu.au/student-services)

#### Have a travel plan

Take the time to map out how you will get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available at all campuses. A free Campus Connector bus service also runs between Magill and Mawson Lakes.

[unisa.edu.au/campus-facilities](https://unisa.edu.au/campus-facilities)

#### Plan your career

It's important to explore your career options and understand where your degree can take you. Our Career Services team provides on-campus advice and support, along with a variety of online resources. They can also help you to find paid or unpaid volunteer, internship and employment opportunities, and they host workshops and events throughout the year so you can develop your professional knowledge and skills.

[unisa.edu.au/careers](https://unisa.edu.au/careers)

#### Study overseas

Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.
