TIDSWELL, Andrew

SERIES 303

BIOGRAPHY

Andrew Tidswell is an architect who graduated from the South Australian Institute of Technology in 1968. He has practised as an architect, project manager and office manager continuously with the SA State Government since graduating. Commencing in 1969 with the South Australian Public Buildings Department, SACON, Services SA, Department of Building Management and the Department for Administrative and Information Services (DAIS) until November 2005 when he joined the Department of Education and Children's Services (DECS) as Manager Strategic Asset Policy and Projects in the Asset Policy and Capital Programs office. He has been an active member of the Royal Australian Institute of Architects and the Council for Educational Facilities Planners International. He is a Fellow of the Royal Australian Institute of Architects.

COLLECTION DESCRIPTION

The Tidswell collection is comprised of drafting tools, drafting aids sheets, his own architectural student work, and a copy of his curriculum vitae. The collection also contains house plans, photos, and a specification of the house designed for Tidswell family by architect Arthur J. Claridge during the postwar period.
