

# The Unstable Image

**Artists:** Aleksandra Antic (SA), Paul Coldwell (UK), Marian Crawford (Vic), Joel Gailer (Vic), Performprint (Vic) & Olga Sankey (SA)

**Curators:** Aleksandra Antic & Olga Sankey

The artists in this exhibition employ strategies of repetition, subversion or transparency to challenge the traditional role and/or the inherent qualities of printmaking. The work in this exhibition will seek to extend and question the notion of the resilience of the image in the present context.
