

Join our vibrant community

NAU's exchange program

At Northern Arizona University (NAU), more than 200 students from over 30 countries participate in our exchange program each year. These students represent diverse academic backgrounds, spanning fields such as business, engineering, natural sciences, social sciences, education, and liberal arts. Here at NAU, you'll find a welcoming environment, diverse experiences, and a supportive community. We invite you to join us on this exciting journey.

Why NAU?

- NAU sits at 2,133 meters above sea level at the base of the majestic San Francisco Peaks. Breathe in the crisp mountain air as you pursue your studies.
- Walk to historic downtown Flagstaff where you can eat at some of the best restaurants in Arizona, visit charming shops, or take in the sights with a cup of tea.
- NAU's International House (I-House) offers safe, on-campus living. At the I-House, you will make life-long connections with fellow international and American students.
- Flagstaff provides a terrific starting base for travel to some of the most awe-inspiring natural wonders in the US, from the Grand Canyon to the red rocks of Sedona.
