

7 Hour Responding to Abuse and Neglect (RAN) Training 2020

To support you in completing your 7-hour RAN training we have negotiated with Department for Education approved providers of the 7-hour RAN training to deliver some on campus sessions.

UniSA is not required to run on campus sessions, however to support you in attaining this important certification, we have scheduled some sessions. We recommend you book and pay for these as soon as possible as they will fill up quickly.
