Health and Medical Clinic

Providing high quality, integrated health services
with the convenience of one location

ABOUT

The UniSA Health and Medical Clinic provides a unique range of low-cost services, conveniently located in the heart of Adelaide's health precinct.

We will provide a comprehensive assessment process to recommend the best services, offering you a truly holistic approach and are the only clinic in the CBD to offer all of these services in one place.

When consulting with accredited practitioners, all referrals under Medicare and the Department of Veteran Affairs are bulk billed. WorkCover services are available on referral.

Appointments are essential.

SERVICES & FEES

Student services

Exercise Physiology

Midwifery

Physiotherapy

Podiatry

These services are provided by students who are supervised by highly qualified and experienced health professionals. Some services are also available from qualified practitioners.

SERVICES & FEES cont.

Student services

Individual consultation	\$20
Subsequent consultation	\$15
Small group exercise session (max. 3 people)	\$12
Large group exercise session (max. 12 people)	\$7

Student services are supervised by accredited allied health professionals. Prices differ for services delivered directly by registered allied health professionals, please enquire about these when making your appointment.

Additional services available from 2018 will include nutrition, occupational therapy and social work.

General Practitioner (GP) services

GP services are also available to provide acute and preventative health care on campus at an affordable price.

Bulk billing rates for Medicare rebateable services, delivered during normal opening hours are provided to all Australian and international students who have either a current Medicare card or private health insurance with an approved insurance provider. In addition, all patients under 16 years of age and those with a valid Pensioner or Social Security card are also bulk billed.

Please see other side for contact details.

TEACHING & LEARNING

In addition to providing you with valuable patient care, the Clinic delivers quality clinical education to UniSA students — our next generation of healthcare professionals. Educated in state-of-the-art facilities, students gain invaluable practical experience and exposure to a wide range of client needs.

COMMUNITY CLINICS

UniSA also offers a range of other services to the community including:

- Legal Advice
- Marketing
- Midwifery
- Psychology
