USB CONFERENCE PROCEEDINGS

JULY 10-14, 2017
ISBN
978-0-6481161-0-3

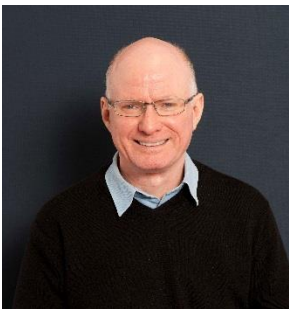

This document provides delegates with The Conference Proceedings of CUPUM 2017 include the full double blind peer reviewed Conference Papers (114 papers) and the double blind peer reviewed poster abstracts (37 abstracts). The CUPUM2017 Conference Proceedings titled “CUPUM 2017: Planning Support Systems for Resilient and Smart Urban Futures” are published on a flash drive USB (with ISBN 978-0-6481161-0-3). Following the conference, the proceedings, photos of posters and audio recordings of the conference plenary sessions will be available via the CUPUM website at <http://www.unisa.edu.au/cupum> (with ISBN 978-0-6481161-1-0). The Conference Program (included on the USB as a PDF) provides a guide to the conference sessions and lists the session titles and IDs. These were correct as of the 26th of June 2017.

The CUPUM Conference Springer Book Chapters from the book *Planning Support Science for Smarter Urban Futures* are not included on the Conference USB. This hard copy book is provided separately to all delegates in their registration bag. Both book chapters and conference proceeding papers are presented in the Conference parallel sessions.
