

**ADDITIONAL INFORMATION FOR ADMISSION
MASTER OF OCCUPATIONAL THERAPY (GRADUATE ENTRY)
PROGRAM CODE: IMOG**

**Domestic Applications CLOSE
Monday 9 December, 2019**

Please Note: This form must be completed in addition to your online application. Incomplete applications will not be considered after the closing dates listed above.

Australian Citizen or Permanent Resident applicants: Please submit this form with your SATAC application.

International applicants: Please submit this form with your Studylink application.

Applicant details

Family name			
Given names			
Date of birth		Telephone number	
SATAC Application Number			
Studylink ID Number			

The following documentary evidence **MUST** be provided by the applicant. Please note that **applications will not be assessed** unless this evidence is provided.

- **Applicants who have not completed their studies at UniSA** must provide a detailed curriculum for all courses / subjects / units they believe meet the pre-requisite knowledge requirements.
- Examples of approved UniSA courses can be found on page 3
- An example of an acceptable course outline can be found on page 4 and must include course / subject content, teaching arrangements and assessment requirements.
- Pre-requisite courses / subjects must have been successfully completed at Bachelor's Degree level (AQF7) or higher and have been completed within the past ten years.

Applicants who have completed the courses / subjects to meet the pre-requisite entry requirements, please fill in the details below. Where courses / subjects are currently being completed, documentary evidence must be provided of current enrolment.

Core pre-requisite course / subject	Course Name	Course Code	Institution / Degree Title	Completion date / Estimated Completion Date
1 x 4.5 unit* course / subject of Human Anatomy				
1 x 4.5 unit* course / subject of Human Physiology				
1 x 4.5 unit* course / subject of either Human Psychology or Sociology / Anthropology				
1 x 4.5 unit* course / subject of Research Methodologies				

Please note that all courses / subjects must be completed by the 2nd week in January 2020.

***4.5 units is equivalent to 12.5% of a full year load.**

Declaration

I declare that the information given in this application is true and complete in every particular. I authorise the University to obtain from the institutions concerned whatever details of my academic record it considers necessary.

Master of Occupational Therapy (Graduate Entry) IMOG – Prerequisite requirements

This document outlines the University of South Australia courses which meet entry requirements for the Master of Occupational Therapy (Graduate Entry). Use this information to match with a comparative course(s) / subject(s) at your university to meet the prerequisite requirements. When you submit your application please provide enough information about your courses / subjects to allow an assessment of comparability to be made by attaching a syllabus or course outline that contains sufficient detail of required content. See below link for entry requirements from the IMOG website:

<https://study.unisa.edu.au/degrees/244-881>

Prerequisite 1: Human Anatomy

A course equivalent to 4.5 units (4.5 units is equivalent to a semester-long course) of Human Anatomy at AQF Level 7. The courses must explicitly include detailed musculoskeletal anatomy, neuroanatomy and systems anatomy.

- **Human Anatomy 100 (HLTH 1020)**

Link: <https://study.unisa.edu.au/courses/100926>

Prerequisite 2: Human Physiology

A course equivalent to 4.5 units (4.5 units is equivalent to a semester-long course) of Human Physiology at AQF Level 7. The courses must demonstrate a whole body systems approach to physiology.

- **Human Physiology 100 (BIOL 1049)**

Link: <https://study.unisa.edu.au/courses/101844>

Prerequisite 3: Human Psychology or Sociology / Anthropology

A course equivalent to 4.5 units (4.5 units is equivalent to a semester-long course) of either Human Psychology or Sociology / Anthropology at AQF level 7. The courses must provide a broad understanding of human psychological concepts relevant to human services OR a broad understanding of social and population health.

- **Applied Psychology (BEHL 1005)**

Link: <https://study.unisa.edu.au/courses/008304>

Prerequisite 4: Research Methodologies

A course equivalent to 4.5 units (4.5 units is equivalent to a semester-long course) of Research Methodologies at AQF Level 7. The courses must demonstrate research approaches rather than focussing solely on statistics based curriculum.

- **Research Methods and Statistics (MATH 1071)**

Link: <https://study.unisa.edu.au/courses/158341>

The following course outline is an example of the information required to be submitted for each course / subject you have listed to meet the pre-requisite requirements. This is NOT to be read as an accepted course.

The highlighted sections are areas of information that must be provided within your course outline.

University of
South Australia

Division of
Health Sciences

Accounting for Business
