

Academic Recommendation for the Maurice de Rohan International Scholarship

For research degree students

This form is to be completed by the Supervisor or Research Degree Coordinator (RDC) of a UniSA research degree student wishing to gain an international perspective and improve their thesis by undertaking research, data collection or work with institutional or industry partners in the United Kingdom or United States of America.

Please read the guidelines available before completing this form:

<https://unisa.edu.au/research/Research-degrees/Scholarships/For-Current-Research-Degree-Students/maurice-de-rohan-international-scholarship/>

Dear staff member,

Thank you for completing this recommendation form on behalf of the research degree student named below to be considered for the Maurice de Rohan International Scholarship. Your statement and comments will assist the selection panel to interview those shortlisted for this prestigious award.

The demonstration of an international perspective as a professional and citizen is an essential research degree graduate quality for all higher degree by research students.

International participation has many benefits, challenging and building upon a research degree student's ability to act within a variety of situations, one of which is a foreign academic setting.

This information is part of an initial process determining if the applicant would be a good ambassador for the University based on their academic and personal attributes and would have the ability to build academic relationships.
